The Training Table inside the Osborne Legacy Complex is the primary resource for student-athletes to seek out holistic fueling options. The Student-Athlete Training Table operates and sets its menus with a student-athlete first mentality. It seeks to provide healthy, accommodating nutrition options for all student-athletes at breakfast, lunch and dinner.

The Training Table also features the Lewis Family Life Skills Kitchen, allowing student-athletes to practice their culinary skills and learn more about making nutritious meals.

Fueling stations are the secondary resource for student-athletes to fulfill their fueling needs. The primary goal of our fueling stations is to provide quick and easy sources of nutrition and hydration to supplement training and competition.

Nebraska is the first college in the country to partner with FLIK Hospitality to provide a world-class custom performance nutrition program. Before partnering with Nebraska, FLIK worked exclusively with professional athletes, fueling over 25 professional teams across the NFL, NBA, WNBA, MLB, MLS and USL Championship League.

THE UNIVERSITY OF NEBRASKA

THE UNIVERSITY OF NEBRASKA

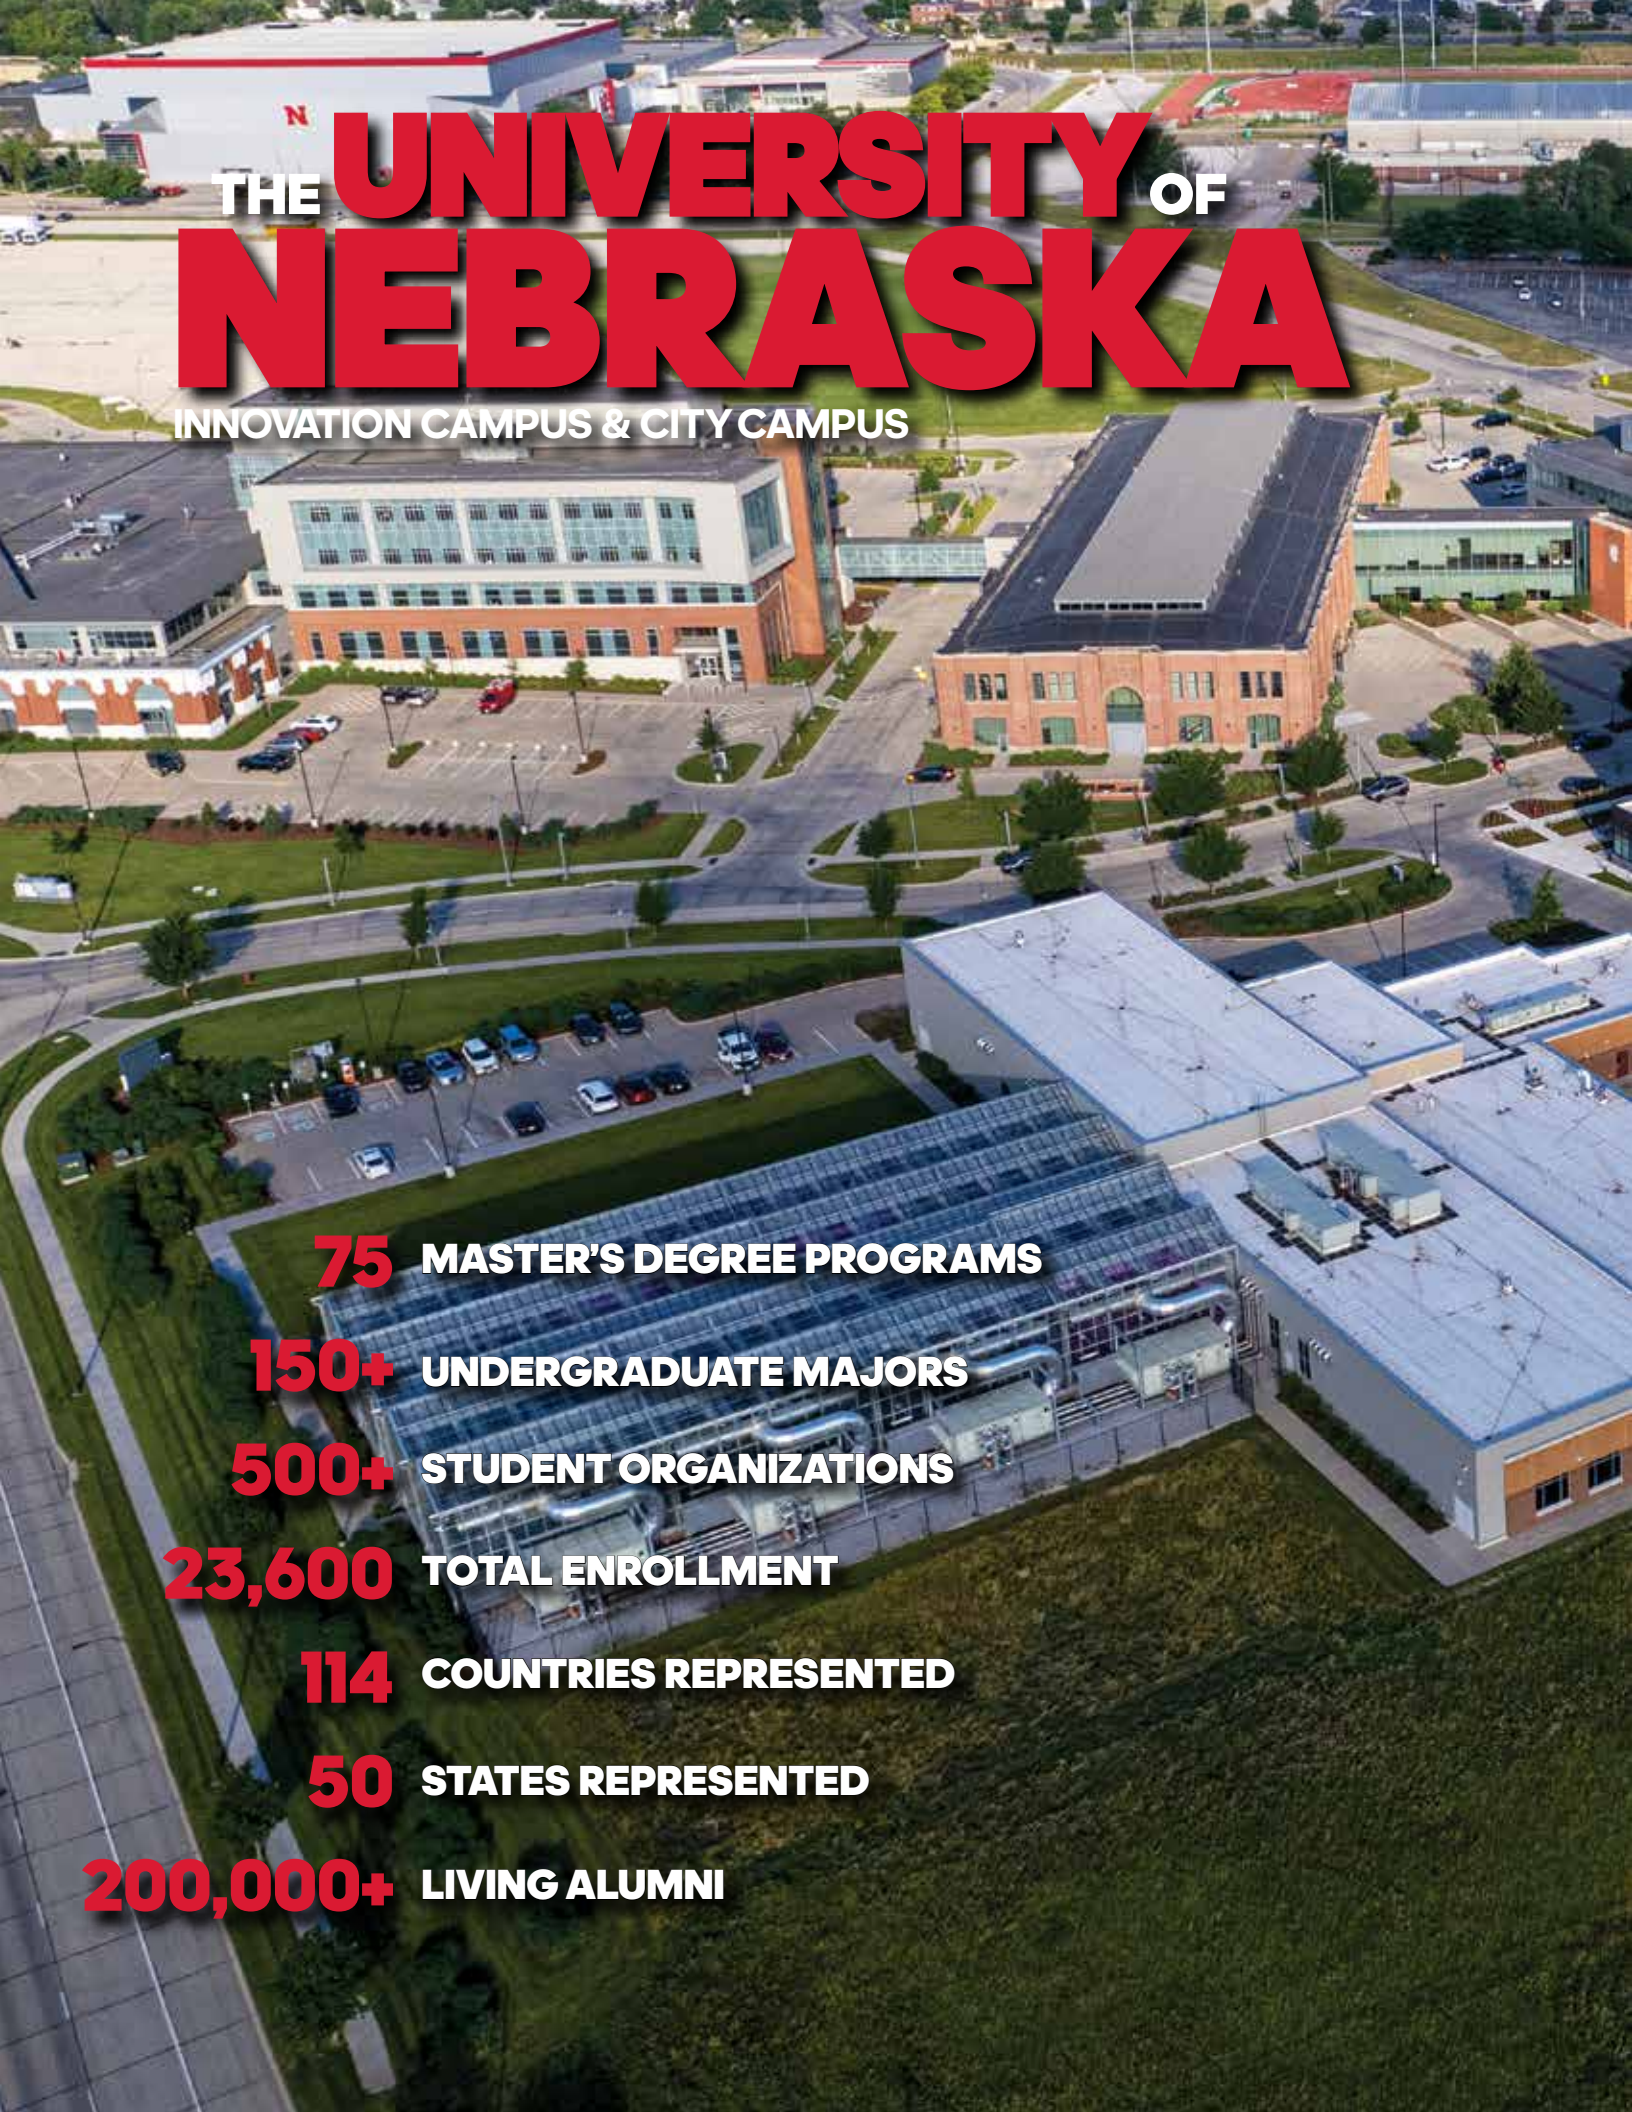

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie “R1: Doctoral Universities – Highest Research Activity” category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 18 Big Ten Institutions and partners with the University of Chicago. Being in the Big Ten Academic Alliance gives Nebraska several advantages, including: access to library collections across the conference, reduced costs through tech collaborations, lower student costs on course materials through collective purchasing and licensing, and study abroad partnerships and course-sharing agreements — students can take courses across Big Ten institutions.

U.S. OLYMPIC TRIALS, HOME IN NEBRASKA

The CHI Health Center in Omaha played host to four consecutive U.S. Olympic Trials (2008, 2012, 2016, 2020). Former Huskers Autumn Haebig and Audrey Coffey earned spots in multiple events to represent Nebraska at the trials during the summer of 2021.

The state of Nebraska played host to the U.S. Olympic Swimming Trials (June 13-20) at the CHI Health Center in Omaha for the fourth consecutive time in 2021. The event, which was a showcase event with sellout crowds of 14,000 for each day of the trials, gave Nebraska a chance to showcase its love and support for swimming. The original 2020 version of the U.S. Olympic Swimming Trials was postponed to 2021 by the world-wide outbreak of the coronavirus.

Nebraska three-time All-American Autumn Haebig advanced to Wave II in three events for the trials, after the Wisconsin native qualified in the 100 back, 200 free and 400 free. In February of 2021, Haebig became Nebraska's first Big Ten swimming champion before claiming All-America honors in both the 200 and 500 freestyles at the 2021 NCAA Championships in March. Haebig set the Nebraska records in the 400-meter free (4:14.96) and 100-meter back (1:01.91), while also establishing NU records in the 100-yard back (52.29), 200-yard free (1:44.39) and 500-yard free (4:41.83) during her time in Lincoln.

Audrey Coffey secured her ticket to Omaha for the U.S. Olympic Trials as she raced to victory in the 1,500-meter free (16:48.76) at the 2019 Speedo Sectionals in Jenks, Okla. Coffey set the school record in the event before adding CSCAA All-America honors in the 1,650-yard free in 2020. The Illinois native also swam to a school-record in the 1,000-yard free (9:48.15) as a junior.

At the 2016 U.S. Olympic Trials, the Huskers were represented by Omahans Alexandra Bilunas (50 free) and Erin Oeltjen (100 back, 200 back), and Husker teammates Taryn Collura (Phoenix, Ariz., 50 free, 100 fly), Jordan Ehly (Albuquerque, N.M., 200 breast), Morgan McCafferty (Reynoldsburg, Ohio, 100 back) and Katt Sickle (Grain Valley, Mo., 400 free). The 2016 Huskers tripled the number from the 2012 trials (Bailey Pons, 400 free; Shannon Guy, 100 fly).

The state of Nebraska, the Midwest and the entire swimming community took a monumental step on June 28, 2005, when USA Swimming announced Omaha as the host city for the 2008 U.S. Olympic Swimming Trials. After the 2008

Trials proved to be a resounding success, as well as the subsequent 2012 and 2016 Trials, officials from USA Swimming and the Omaha Sports Commission announced the return of the event to Omaha in 2020.

The 2008 Trials drew 160,003 fans over eight days and 15 sessions. The 2016 Trials smashed those numbers, with all 15 sessions sold out and attendance exceeding 200,000 for the first time. In 2004, attendance was just over 100,000.

The CHI Health Center has served as a home away from home for Husker Athletics for many years. In 2015, the Nebraska volleyball team won its fourth NCAA title and its second in Omaha. The 2006 Huskers claimed Nebraska's third NCAA volleyball title in Omaha as well, and the arena played host to the 2012 NCAA Volleyball Championships. Nebraska also hosted the Big 12 Wrestling Championships in the building, while the men's basketball team played a regular-season game against Oregon in 2007.

The 2024 U.S. Olympic Trials moved to Indianapolis, where Huskers Gena Jorgenson and JoJo Randby represented Nebraska. Jorgenson posted career-best times in the 400, 800 and 1,500-meter freestyles, shattering the Husker school record in both the 800 and 1,500.

Randby competed in the 100-meter breaststroke in Indianapolis, while former Husker All-American Abigail Knapton finished fourth in the Synchronized Women's Platform alongside Katerina Hoffman in Knoxville, Tenn.

Autumn Haebig competed in the 200-meter freestyle, 400 free and the 100 backstroke at the 2020 U.S. Olympic Trials in June of 2021 in Omaha. She was joined by teammate Audrey Coffey (1,500-meter free) in advancing to Wave II of the trials at CHI Health Center.

JORGENSEN, BAXTER HEAD YOUNG TEAM

After another successful top-40 NCAA Championship run in 2025, the Huskers shoot for more All-American performances in the 2025-26 season with an assortment of veteran and new swimmers.

For her final year, Gena Jorgenson will return after earning back-to-back All-America accolades. After smashing five school records, Jorgenson capped her junior season with a school record in the 1,650 freestyle. At the 2024 NCAA Championships, Jorgenson finished with a time of 15:55.71 and returned a year later, notching a time of 15:49.99. The senior from Aberdeen, S.D., captured a sixth-place finish in the 500 free at the 2025 Big Ten Championships in Columbus, Ohio. Adding another school record time, Jorgenson harnessed a 4:39.31 in the event. Impressively, she added 31 top-five finishes, with 29 being top three.

Alongside Jorgenson, fellow captain Giulia Marchi heads into her final year leading the freestyle swim category. Posting three career-best times last season, Marchi produced 17 top-five finishes last season alongside a school record. At the Hawkeye Invite last November, Marchi set her personal best in the 500 free with a 4:53.43. At the 2025 Big Ten Championships, she grabbed a career time in the 200 free time trials (1:47.69) and contributed to a record-shattering performance in the 800 free relay (7:07.35).

Kelsey Clairmont, a senior from Regina, Saskatchewan, Canada, has made significant contributions to the Huskers in diving throughout her career. Through 13 top-five finishes and 15 zone-qualifying performances last season, Clairmont showed consistency on the one- and three-meter boards. Against Omaha, Clairmont grabbed a pair of first-place finishes on each board, scoring 271.80 and 289.20, respectively. Her platform performance was highlighted by her showing at the Zone D Diving Championships, where she finished with a 10th-place, 259.40.

Frankie Webb closed a strong junior campaign with career-best scores on the one-meter and platform boards. In a win over Illinois in January, she dove to a 255.25 on the one-meter board and later added her personal best against Rutgers and Iowa on the platform (225.30).

Nebraska native Ellee Delcamp joins the Big Red for her final season in the diving well after a top finish last season on the three-meter board. Against Omaha, Delcamp notched a third-place position through her 259.35 dive.

Through 19 top-10 finishes during the season, Beatrix Tanko delivered impressive results in the butterfly and freestyle events. The sophomore from Budapest, Hungary, notched four individual titles in the 100 fly, highlighted by her performance at the Hawkeye Invite, where she cranked a 53.46. She later went on to set a career-best time at the Big Ten Championships with a 52.77. In the freestyle category, Tanko took a 22nd-place finish in the 100 free with a career time of 49.59.

With consistent time improvement throughout the season, Amelia Riggott led a successful sophomore campaign. The conference championships highlighted a career-best time in the 200 breast with her 2:20.00 showing. She delivered continuous improvements in the 100 breast throughout the season, but clocked a personal best at the Hawkeye Invite in November through a 1:01.77 swim.

Abby Baxter headed the diving campaign in her sophomore season as a qualifier on the three-meter board for the 2025 NCAA Championships. In her national debut, Baxter nabbed a 20th-place finish in the three-meter prelims through a score of 299.45. She harnessed 15 zone-qualifying dives during the season and captured six individual titles. Notching a personal best at the Hawkeye Invite in November on the three-meter board (332.45), she went on to capture a top-five finish on the one-meter board with a score of 299.40.

Jordyn Schmucker generated 10 top-five finishes for the Huskers in her second year. At the Hawkeye Invite in November, Schmucker grabbed a personal best on the one-meter board with a 268.30 and ended the season with her performance at the Zone D Diving Championship. She competed on the one-meter board in prelims, scoring 229.15 and finishing 47th.

After recovering from an injury in her freshman year, redshirt sophomore Jenna Brown produced several solid showings in the butterfly and freestyle events. She earned a fourth-place finish in the 200 fly at the Hawkeye Invite by recording a 2:01.94, and achieved a 15th-place finish in the 500 free (4:56.05).

Virginia Consiglio, a late addition to the Huskers in January, added value in the relay efforts as well as the backstroke events. In the 200 and 400 medley relays, Consiglio aided the team at the 2025 Big Ten Championships, pushing the teams to school records in both events. The true freshman from Genova, Italy etched her name into the Nebraska record books early on through the sixth-fastest time in the 200 backstroke (2:00.99). Immediately following her NU debut, she recorded the top time for the team's season in the 100 backstroke (54.09) against Illinois.

In her first season as a Husker, Jenna Gogel added four top-five performances during the 2024-25 season. Her career-best time in the 100 breaststroke came during the conference championship time trials by recording a 1:02.99. Her IM efforts were characterized by her time in the 200 IM against Rutgers and Iowa (2:06.75) as well as at the Hawkeye Invite in the 400 IM (4:20.35).

Swimming in the backstroke and IM events last season, Marissa Laurin, a sophomore from Grand Prairie, Canada, grabbed a pair of titles in the 200 IM. The first came against Iowa State, and the second was delivered at the Hawkeye Invite. By the end of the season, she had 21 recorded top-five performances, with over half being top-three caliber.

Jazmyn Lunn, a sophomore from Brookings, S.D., logged three career bests at the conference championship prelims in the 100 fly (54.43), 200 fly (2:00.80) and the 500 free (4:55.92). Throughout the season, Lunn was a notable contributor to the 200 medley and 400 free relays.

In her first year with the Huskers, Riley Miklos amassed 13 top-five finishes in the long freestyle events. Miklos tied for third in the 1,000 free against Illinois with a personal-best time of 10:08.64.

Cutting times in her freshman year, returning sophomore Katy Zboinski worked to her career-best times in the 100 breast (1:02.99) and the 200 IM (2:03.67) at the conference championships.

Pablo Morales continues to see the Nebraska swimming and diving program climb in national prominence in and out of the water in his 25th season leading the Husker program.

Coach Morales led a highly successful campaign in 2024-25, with the Big Red placing 34th with 13 points at the 2025 NCAA Swimming and Diving Championships. Gena Jorgenson highlighted Nebraska's effort in the pool by capturing first-team All-America honors in the 1,650 freestyle for the second straight season. Her sixth-place NCAA finish came in a school-record 15:49.99. She added a school-record swim in the 500 free (4:39.31) and the 1,000 free (9:35.69) during the season. She added to her outstanding season by claiming third-team College Sports Communicators Academic All-America honors to become the first Husker swimmer in history to claim All-America awards in the pool and the classroom in the same season. Abby Baxter added to Nebraska's success at the NCAA Championships by competing in the three-meter diving competition.

Nebraska's success in 2024-25 followed a 2023-24 campaign that featured a top-30 NCAA finish behind Jorgenson's eighth-place finish in the 1,650 free. Jorgenson became the first Husker swimmer to claim first-team All-America honors at the NCAA Championships since 2001. Jorgenson and JoJo Randby also competed at the U.S. Olympic Team Trials during the summer of 2024,

PABLO MORALES

highlighted by Jorgenson breaking two school records and finishing 12th in the 1,500-meter freestyle. Randby added a 39th-place finish in the 100-meter breaststroke.

Morales coached the Huskers to an eighth-place finish at the Big Ten Championships, with Maia Hall qualifying for a pair of A finals. She grabbed fifth-place finishes in the 100 and 200 breaststroke, while Jorgenson placed fifth in the mile and 10th in the 500 freestyle.

In 2023, Jorgenson and diver Kelsey Clairmont made NCAA Championship appearances. The Huskers set five school records during the season.

In 2022, Autumn Haebig led the charge in the pool, making her fourth trip to the NCAA Championships and earning a spot on the podium at the Big Ten Championships in the 200 freestyle with a sixth-place finish. The season was marked by breakout performances across the board, with underclassmen stepping up as leaders in the pool.

In 2021, Nebraska earned its best team finish since 2001, placing 26th at the NCAA Championships. Diver Abigail Knapton recorded a pair of first-team All-America performances, while Haebig produced a pair of All-America awards of her own to propel the Huskers.

Knapton became the first diver or swimmer in school history to earn first-team All-America honors four times in the same event (platform). The six-time All-American was also the Big Ten Diver of the Championships after winning gold in both the platform and one-meter dives, while taking second on the three-meter board. A CSC first-team Academic All-American as well, Knapton was chosen as Nebraska's Female Student-Athlete of the Year and Best Female Athlete across all sports. An NCAA Postgraduate Scholarship award winner, Knapton was also one of 30 finalists for NCAA Woman of the Year honors. She also went on to be the only diver at the Olympic Trials to finish among the top eight in all three competitive dives.

Haebig added nearly as impressive of a season in the pool. Nebraska's first Big Ten champion after winning the 200 freestyle, Haebig added a top-eight finish in the 500 free. She took ninth in the 200 free at the NCAA Championships before adding a 14th-place finish in the 500 free. She became the first Husker swimmer to earn a pair of All-America awards at the same championship since 2001. She went on to advance to Wave II at the U.S. Olympic Trials in the summer of 2021.

Three Husker swimmers (Haebig, Coffey, Madison Coughlen) and one diver (Sara Troyer) qualified for the 2020 NCAA Championships. The national meet was ultimately canceled due to the world-wide outbreak of the coronavirus, but the four Huskers combined for five CSCAA All-America awards.

In 2019, Nebraska captured its fourth consecutive top-40 finish at the NCAA Championships by taking 33rd. Knapton captured her third consecutive First-Team All-America honor on the platform, while adding an honorable-mention accolade in the three-meter dive.

In 2018, Nebraska finished 35th at the NCAA Championships, as Knapton captured First-Team All-America honors on the platform for the second straight season. She was joined at the NCAA Championships by Haebig.

The Big Red took 33rd at nationals in 2017, when Knapton finished fourth on platform to capture her first All-America award.

In 2016, the Huskers finished 39th at the NCAA Championships, which included a 10th-place finish on the one-meter board by Anna Filipic. The Huskers have sent at least one diver to the NCAA Championships in seven consecutive seasons.

Nebraska posted a program-record 3.747 GPA in the spring of 2020 to earn CSCAA Scholar All-America recognition as a team. Nebraska has been honored for 24 straight semesters by the CSCAA and the team has posted better than a 3.2 GPA for 24 consecutive semesters. In fact, the swimming and diving program owned the best GPA of any Nebraska team for three consecutive seasons (2015, 2016, 2017) to win the school's Herman Team GPA Award.

Nebraska's increased competitiveness in the pool and impressive success in the classroom and community are a far cry from the starting point of the Husker program when Morales took over the job in 2001. In his first season at NU, the Huskers went winless in 2001-02 (0-3) with a depleted roster.

Three years later, NU raced to an 8-1 dual record in 2004-05 and became the first Husker swimming and diving team in school history to win eight consecutive meets. Most importantly, Morales led the Huskers out of the bottom of the Big 12 with a fourth-place finish in 2004

Pablo Morales was a three-time Olympic gold medalist and two-time silver medalist at the 1984 (Los Angeles) and 1992 (Barcelona) Summer Games.

Gold	1984 Los Angeles	4x100m Medley
Gold	1992 Barcelona	100m Butterfly
Gold	1992 Barcelona	4x100m Butterfly
Silver	1984 Los Angeles	100m Butterfly
Silver	1984 Los Angeles	200m Medley

and a third-place showing in 2005. Nebraska has continued to pursue a climb in conference prominence as it has transitioned to the Big Ten.

The Huskers are working to regain the national prowess they enjoyed in the 1990s, when they captured five Big Eight and Big 12 titles from 1994 to 1999.

A 1987 graduate of Stanford University, Morales is one of the greatest male swimmers in U.S. history, winning an NCAA-record 11 individual titles. He also helped lead the Cardinal to three consecutive NCAA titles and four Pac-10 titles, while twice earning Pac-10 Swimmer-of-the-Year honors and garnering six Pac-10 titles himself.

Morales remains the all-time leading scorer at the NCAA Championships, amassing 235 points. Morales was also the recipient of the 1987 Al Masters Award, which is Stanford's highest award for athletic performance, leadership and academic performance. He was the first male swimmer to win the award, and remains one of two to have accomplished that feat. Morales holds the Stanford record in the 200-yard butterfly (1:42.60) and held the school record in the 100-yard fly (46.25) until it was broken in 1998 by Sabir Muhammad (46.18).

While at Stanford, Morales was awarded the J.E. Sterling Award, which is presented to a student-athlete based on scholarship, leadership and community service. In addition, he served as the director of the Stanford Volunteers for Youth Program. Morales also found time to become a mainstay on the campus newspaper as the beat writer for the women's basketball team.

A CSC (formerly CoSIDA) Academic All-America selection in 1987, Morales earned a law degree from Cornell in June of 1994, despite taking two years off from law school to train and compete at the Olympics.

An Olympic swimmer, Morales won three gold and two silver medals in the 1984 and 1992 Games, serving as a team captain for the 1992 squad. Following the 1992 Games, in which he returned to the pool after a three-year layoff to capture a gold medal in the 100-meter butterfly, Morales was named the U.S. Olympic Committee's Sportsman of the Year. He held the U.S. Open and NCAA record in the 100-yard fly with a time of 46.26, which stood for 13 years before being broken at the 1999 NCAA Championships.

Among Morales' greatest swimming accomplishments in the pool is holding the world record in the 100-meter butterfly with a time of 52.84 from 1986 until 1995.

Morales' legend in the Olympic Games lives on today, as the Nebraska coach served on the bid committee for the 2008 U.S. Olympic swimming trials that took place in Omaha. Morales had the chance to see the selection process and serve a role in the decision that gave Nebraska its first Olympic event in state history.

The Swimming Trials were a resounding success, and Omaha proved to be a worthy host for the event. More than 160,000 fans attended the event, shattering the previous mark by more than 50,000. In 2016, the U.S. Olympic Trials made their third consecutive appearance in Omaha, and more than 200,000 fans sold out every session of the event.

The 2020 Trials returned to Omaha in the summer of 2021, after a one-year delay caused by the coronavirus pandemic.

Before coming to Nebraska, Morales served as the head women's swimming coach at San Jose State University. He held the reins as head coach from 1998 until being named coach at Nebraska

in July of 2001. Morales rejuvenated a Spartan program that was near the bottom of the Western Athletic Conference. He was named the 2000 WAC Coach of the Year for his efforts.

While at San Jose State, Morales rebuilt a program and took the Spartans to the NCAA Championships after a 14-year absence. During his tenure, Morales produced six academic All-WAC swimmers. At the 2001 WAC Championships, five Spartans set school records under Morales' supervision, and three met NCAA qualification times. Seven others swam times that placed among the top three in school history.

Before his stint at SJSU, Morales was an assistant at his alma mater, Stanford, in 1997-98, helping lead the squad to the NCAA team title.

Morales also served as a graduate assistant at Cornell while pursuing his law degree. While at Cornell, Morales prepared and coached daily workouts for swimmers and assisted in recruiting. Morales has assisted in coaching with the San Jose Aquatics club group, as well as serving as head coach of the Stanford Masters Swim Team.

A powerful motivator, Morales hopes to keep his swimmers on the top of their games in and out of the pool, as Nebraska has established itself among the nation's best in academic support and athletics. Over the past 10 seasons, nearly 80 percent of Morales' student-athletes have been named to the conference or Nebraska Scholar-Athlete Honor Roll each semester.

"I want our swimmers to achieve their goals of faster times and lifetime bests," Morales said. "I want them to have the best season that they have ever had, and I also want us to establish a team atmosphere and build an excitement toward Husker swimming and diving."

Former Stanford Head Coach Skip Kenny, who coached Morales at Stanford and also with Team USA, spoke highly of his former pupil.

"He's one of the most honest people that you will meet," Kenny said. "You will always get the truth out of him. He's very dedicated to the sport of swimming and to his athletes."

"As soon as the swimmers spend a few days or weeks with him, they will see how much he cares about them and the sport of swimming."

Kenny said Morales may have greater potential as a coach than swimmer.

"I honestly believe that he is a better coach than he was a swimmer, and that is saying a lot since he was one of the best swimmers in the world. He has done things with kids that I thought I would

"My job is to instill confidence in a swimmer and teach her to expect a higher level of performance from herself. I want each swimmer to open her mind to what is possible. I want her to strive to exceed what she has done in the past each and every day. I want her to expect that more is possible."

Coach Morales' Philosophy

never see. If there is a female swimmer out there that wants to be the best in the world, I'd send her to swim for Pablo."

Morales' experiences as an NCAA and international swimmer, and a club and collegiate coach helps him in coaching and recruiting.

"In my experiences, I have been fortunate to have had a long career as a competitor. I was able to train with coaches who I think are some of the best in the world," Morales said. "I have learned from them, and I have learned from myself. I believe that all of my experiences have prepared me for coaching. I have a good feel for the contours of teams that are successful. I know how they practice, train and compete."

A gifted and noted public speaker and lecturer, Morales was a contributing author to *The Swim Coaching Bible*, published in 2001. In April of 2007, he was chosen as the U.S. Swimming Diversity Select Camp Head Coach, a four-day camp at the Olympic Training Center in Colorado Springs, Colo. Aside from in-pool training, Morales also led motivational and educational sessions and team-building activities for boys and girls from all over the nation. These children were a part of an ethnically under-represented population that is less than 20 percent of the current USA Swimming membership.

Pablo is the son of Pedro and the late Blanca Morales, who came to the United States from Cuba in 1956. Pablo and his wife, Viviana, have four boys, Sam, Benjamin, Eli and Gustavo.

Morales was born in Chicago and grew up in Santa Clara, Calif. He enjoys golfing in his spare time.

Patrick Rowan enters his 14th season as Nebraska's associate head coach in 2025-26, helping the Huskers continue to build a nationally competitive women's swimming and diving program. The 2024-25 season featured Gena Jorgenson capturing first-team All-America honors for the second consecutive season in the 1,650 freestyle to power the Huskers to a 34th-place team finish at the NCAA Championships. Jorgenson's sixth-place NCAA finish came in a school-record 15:49.99, as she has continued to slash Husker records in the 1,650, 1,000 and 500 freestyles each of the last three seasons.

Nebraska added school-record swims in the 100 butterfly and the 100 breaststroke in 2025, while Husker 200 free, 200 medley and 800 free relay teams all smashed school records at the Big Ten Championships. In fact, over the past two seasons, the Huskers have set school records in nine different events.

In 2023-24, Nebraska claimed a top-30 finish at the NCAA Championships with Jorgenson becoming the first Husker swimmer to be named a first-team All-American since 2001. Jorgenson placed eighth at the NCAA Championships and joined teammate JoJo Randby at the 2024 U.S. Olympic Team Trials.

During the 2022-23 season, Rowan coached Jorgenson to an NCAA qualification, as she set the school record in the mile during the season.

In 2021-22, Autumn Haebig took her fourth trip to nationals, competing in the 100 freestyle, the 200 freestyle and the 500 freestyle. She notched a top-25 finish in the 200 freestyle, after swimming to sixth in the event at the conference meet.

Rowan helped Nebraska to its best NCAA finish since 2001 with a 26th-place showing at the 2021 NCAA Championships. Haebig put herself in the Husker record books by capturing All-America honors in both the 200 free (9th) and 500 free (14th) at the NCAA Championships. She became the first Husker swimmer to earn more than one All-America award at nationals since 2001. Audrey Coffey joined Haebig at the NCAA Championships and just missed All-America honors after finishing 19th in the 1,650-yard freestyle in a then-school-record time of 16:14.19.

Haebig and Coffey also helped lead a strong performance by the Big Red at the 2021 Big Ten Championships. The Huskers produced their best Big Ten finish since joining the conference in 2011-12, while Haebig captured Nebraska's first-ever Big Ten individual gold medal with her win in the 200 freestyle. She also became the first Husker swimmer to win All-Big Ten honors.

In 2019-20, Rowan helped three Husker swimmers earn CSCAA All-America honors with school-record-setting performances by Haebig (200 free), Coffey (1,000 free) and Madison Coughlen (200 fly).

In 2017-18, Rowan helped Haebig, a 14-time Wisconsin high school state champion, earn her first trip to the NCAA Championships as a true freshman. Haebig, who finished 10th in the 100 backstroke and 12th in the 200 freestyle at the 2018 Big Ten Championships, closed her season with a 40th-place NCAA finish in the 100 back. She added a 43rd-place showing in the 500 free at the NCAA meet. Haebig set career bests in all three of those events late in the season at either the Big Ten Championships or the NCAA Last Chance meet.

In 2018, SwimSwam.com ranked the Nebraska swimming and diving program No. 1 in the nation for recruiting, retention and improvement among all NCAA Division I women's programs. In 2017-18, the Husker swimmers produced 26 NCAA B qualifying standards, which represented an increase in that total for the sixth consecutive season for Nebraska.

In 2016, six Huskers qualified for the U.S. Olympic Trials, while two more international swimmers qualified for their trials. In 2016-17, Erin Oeltjen set a school record in the 100 and 200-yard backstroke, while Dana Posthuma notched the second-best time in school history in the 200-yard butterfly (1:58.16). In 2014-15, Rowan guided the 200-yard freestyle relay to the second-best time in school history at the Big Ten Championships.

In Rowan's second season at NU (2013-14), he helped 14 swimmers to personal bests in the sprint freestyle events. Rowan served as Nebraska's primary sprint freestyle coach in 2012-13. He saw the 200- and 400-yard freestyle relay teams swim school-record times at the 2013 Big Ten Championships. Taryn Collura swam a school record in the 50-yard freestyle and became the first Husker to qualify for the NCAA Championships in six years.

Rowan, who returned to Nebraska after spending five years as an assistant coach at Missouri, helped the Tigers become one of

the nation's top-15 programs during his time in Columbia (2008-12).

The graduate of Lincoln Southeast High School and former Husker volunteer assistant coach returned to the Big Red for the 2012-13 season and has helped the Huskers produce seven top-40 team finishes at the NCAA Championships.

BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten Conference is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago where, on Jan. 11, 1895, Purdue President James H. Smart and leaders from the University of Chicago, Illinois, Michigan, Minnesota, Northwestern and Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bona fide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On Feb. 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the fundamentals of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State joined the conference, bringing the membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, a name that was eventually incorporated in 1987.

As the 1900s dawned, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were conducted at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women. Big Ten schools compete in a total of 42 different sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915, the first award to demonstrate support for the educational emphasis placed on intercollegiate athletics. It is awarded annually by each conference institution to one male and one female student of the graduating class who have attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a Big Ten student-athlete can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of seven men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, Kevin Warren in 2020, and current commissioner Tony Petitti in 2023.

After nearly 30 years with 10 members, the conference consolidated to nine schools when Chicago formally withdrew its membership in 1946. Michigan State was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produce over \$10 billion in funded research, doubling any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of the pioneering technology, where it approved country-wide testing in 2005. In 2006, the NCAA approved the use of instant replay for all conferences.

In 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 2,200 live events across all platforms each year. The 24/7 network is the ultimate destination for Big Ten fans and alumni across the country and around the world, allowing them to see their favorite teams, regardless of where they live.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011.

The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from Maryland and Rutgers on Nov. 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

In recent years the Big Ten has worked to meet the educational needs of modern student-athletes to allow them to excel in all areas of their lives. In May of 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members. The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

In June of 2020 the conference launched the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest. One product of conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions. The Voter Registration Committee has partnered with the National Lawyers' Committee for Civil Rights Under Law to develop educational programming and outreach tools, and to collaborate with other established civic platforms.

On June 30, 2022, the Big Ten Conference furthered its legacy of transformation when the Big Ten Council of Presidents/Chancellors (COP/C) voted unanimously to admit UCLA and USC to the conference effective Aug. 2, 2024. Competition will begin for all conference sports in the 2024-25 academic year.

In July of 2022, the Big Ten traveled a delegation of student-athletes and administrators from its member institutions to Selma and Montgomery, Alabama, for an immersive experience entitled: "Big Life Series: Selma to Montgomery." The pilgrimage to one of the key centers of the civil rights movement was highlighted by a march across the Edmund Pettus Bridge in Selma, which is the site of the 1965 Bloody Sunday attack. The delegation also visited the Montgomery Interpretive Center on the campus of Alabama State University to learn more about the profound impact that students had on the civil rights movement, and the significance of the Knight vs. Alabama landmark trial which ended the segregation of funding in higher education across the State of Alabama.

In April of 2023, the Big Ten announced that Petitti was selected as the conference's seventh commissioner. With nearly four decades of sports, business and media industry acumen, he served as deputy commissioner and chief operating officer of Major League Baseball and president and chief executive officer of MLB Network. A 14-time National Sports Emmy Award winner, Petitti also held senior executive roles at CBS Sports and ABC Sports overseeing rights acquisition deals for a variety of sports leagues and collegiate and professional sports events, including the NCAA Men's Basketball Tournament, regular season men's basketball, college football, NFL, PGA Tour, the Masters, U.S. Open Tennis Championships, and the Little League World Series, as well as leading in the creation of the Bowl Championship Series to determine college football's national champion.

On Aug. 4, 2023, the Big Ten Council of Presidents/Chancellors voted unanimously to admit the University of Oregon and the University of Washington to the conference effective Aug. 2, 2024, with competition to begin in all sports for the 2024-25 academic year. With the schools' admission, Oregon and Washington would also join the Big Ten Academic Alliance (BTAA), a consortium of world-class research institutions dedicated to advancing their academic missions.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

HUSKERS BREAK SEVEN RECORDS DURING 2024-25

Gena Jorgenson captured first-team All-America honors for the second time by racing to a sixth-place finish in the 1,650 freestyle in a school-record 15:49.99 at the 2025 NCAA Championships.

Nebraska generated the first back-to-back first-team NCAA All-American since 2001 and swam to a top-35 finish at the NCAA Championships to highlight a noteworthy 2024-25 season.

Gena Jorgenson led the Huskers with impressive accomplishments. The junior from Aberdeen, S.D., shattered two of her own school records and qualified for three events at the NCAA Championships in Federal Way, Wash. Capturing a sixth-place finish in the 1,650 free, Jorgenson crushed her previous school record by nearly seven seconds. Her previous mark from the 2024 NCAA Championships was 15:55.71, but she replaced it with an impressive 15:49.99 performance. The swim earned her a second straight first-team All-America award.

Jorgenson also posted a career-best and school record in the 500 free at the conference championships in Columbus, Ohio. She notched a 4:39.31 to finish sixth.

Earlier in the season, Jorgenson claimed gold in the 500 free at the Hawkeye Invitational with a 4:41.89. She added another victory in the 1,650 in 16:07.95.

Jorgenson notched the sixth-fastest time in the 200 backstroke for the Huskers at the Hawkeye Invite. She swam 1:57.38 to earn second in the event's prelims, before finishing third in finals (1:58.60).

Between her nine events, Jorgenson amassed 11 NCAA B standard times.

Abby Baxter, a sophomore from Coppell, Texas joined Jorgenson at the NCAA Championships to compete in the three-meter diving competition.

Baxter performed well at nationals with a 20th-place finish and 299.45 points to complete her sophomore season as a Husker.

At the Zone D Championships in Iowa City, Iowa, Baxter flipped to a ninth-place finish in the three-meter competition with 306.95 points to earn her spot at the NCAA Championships. She

racked up 14 zone-qualifying scores throughout the season and added seven top-five finishes.

Baxter earned her career-best score at the Hawkeye Invite in mid-November on the three-meter board racking up 332.45 points and a fourth-place finish.

The 2025 Big Ten Championships hosted in Columbus, Ohio resulted in a tenth-place for the Huskers. Nebraska closed the season in Federal Way, Wash., with a 34th-place finish after earning 13 points.

Caterina Bisiacchi, a senior from Trieste, Italy, highlighted the team's freestyle events. She was a strong leader in the 200 free, where she accomplished a career best at the Hawkeye Invite in the preliminaries with a 1:50.07. Impressively, she recorded a second-place finish a day later in the 500 free, where she earned her career best time of 4:47.90.

Bisiacchi added a pair of top finishes in the 200 fly against Iowa State in late October as well as the Illinois Fighting Illini. She logged 2:04.79 and 2:01.50, respectively.

Maia Hall led the team in the breaststroke events recording five first-place finishes in the 100 breast and seven in the 200 breast. At the conference championships, Hall registered her career best and school record in the 100 breast with a 59.94. Over the course of the season, the senior from Whitby, England notched 24 top-five finishes.

Hall etched her name in the Nebraska history books through a 2:00.33 performance in the 200 IM at the 2025 Big Ten Championships prelims.

JoJo Randby posted consistently impressive finishes for the Huskers in the breaststroke events as well. At the Mizzou Last Chance meet in Columbia, Mo., Randby logged a career-best performance in the 200 breaststroke at 2:12.53.

Throughout the season, Randby amassed eight podium places in the 100 breast with notable performances against Minnesota and South Dakota, Illinois and at the Hawkeye Invite. The homegrown Husker completed her final year with the ninth-fastest 200 breast time in school history, while still remaining the second-fastest in the 100 breast from a 2023 swim.

Maisie Gilford, a junior from Newcastle-Under-Lyme, England logged career bests in four events in 2024-25. She landed three career times at the Hawkeye Invite in the 100 free, 200 free and 100 fly. She owns the sixth-fastest time for a Husker in the 100 free with her 49.51. She recorded the No.4 all-time performance at the Big Ten Championships in the 50 free by swimming a 22.61.

Returning from injury late in 2023-24, Madison Lloyd continued in her backstroke and IM endeavors. She clocked career bests in the 200 and 400 IM events at the Big Ten prelims where she swam a 2:02.66 and 4:21.38.

Redshirt freshman Jenna Brown led a strong campaign in her freestyle and butterfly events. At the Hawkeye Invite, the Louisville, Ky. native placed fourth in the 200 fly with a 2:01.94. She earned 11 top-five finishes during the season.

Jazmyn Lunn, a freshman from Brookings, S.D., recorded a top performance in the

Riley Miklos and Katy Zboinski both completed successful freshman campaigns. Miklos collected 13 top-five performances throughout the season, and Zboinski added six of her own. Zboinski demonstrated a promising future in the 100 and 200 breast events. Against South Dakota State, she swam a 1:07.83 to earn a second-place finish, but swam a career best in the 2025 Big Ten Championship prelims (1:02.99). To highlight her senior year, Sydney McCracken earned Nebraska's Big Ten's Women's Swim and Dive Sportsmanship Award at the conference championships. McCracken posted exceptional performances and logged five career-best times.

At the Hawkeye Invite, McCracken notched a career-best 1:01.72 in the 100 breast. She later went on to log her best in the 200 IM at the Big Ten Championships with a 2:01.06. Throughout the season, she captured 15 top-five performances.

Marissa Laurin opened a strong Husker career with 20 top-five finishes including 13 top-three performances. She later clocked a time of 1:58.50 in the 200 back in the conference championships. She added career bests at the Big Ten meet in the 200 and 400 IM races.

Sophomores Anna Vlachou and Amelia Riggott both posted strong second seasons. Vlachou accomplished a B standard cut in the 100 fly and earned the school record time in the event in the Big Ten prelims by touching the wall at 52.63. Riggott swam in the 100 breaststroke against the Omaha Mavs where she reached a title in the event with a 1:04.80.

GENA JORGENSEN
2025

In her third year as a Husker, Gena Jorgenson excelled both in competition and academics. She became the first swimmer in Husker history to earn All-America honors in the pool and the classroom. CSC Academic All-America, Jorgenson achieved a 4.0 GPA being a biological sciences major. She has earned two All-America awards for her performances in the 1,650 free.

During her time at Nebraska, Jorgenson has qualified for the NCAA Championships in the 1,650 free, 500 free and the 400 IM. She currently holds the school record in eight events between short and long course races. Specializing in long freestyle swims, she smashed through her previous record time in the 1,650 free by clocking a 15:49.99 and capturing a eighth-place finish.

Racking up several academic awards, Jorgenson was also a Big Ten Distinguished Scholar and Academic All-Big Ten choice twice (2024, 2025).

Before her career at Nebraska, Jorgenson won every individual event in the South Dakota state championships for five-straight seasons. Through placing in the top 3 percent of swimmers in the United States, Jorgenson competed in the Futures Championship in July 2022. She captured titles in the 800-meter and 1,500-meter freestyle events.

She posted a 3.93 GPA as a psychology major over her five-year career and was a four-time first-time All-American on platform. Lindsay Helferich etched her name in Husker history by becoming Nebraska's third swimming and diving CSC Academic All-American in 2019. Helferich claimed second-team honors in the at-large category following her senior season by posting a perfect 4.0 GPA during her career.

Helferich, a freestyle and backstroke specialist, was one of nine Huskers to be named a Nebraska Outstanding Scholar. She added a 1A FAR Academic Excellence Award and was recognized for the third time as a Big Ten Distinguished Scholar.

She also excelled in competition, finishing 26th in the 50-yard freestyle at the 2019 Big Ten Championships. Helferich posted her top career Big Ten finish by taking 21st in the 100 backstroke in 2018, while adding 27th-place showings in the 50 and 100 freestyles the same year. As a freshman in 2016, she took 24th in the 200 back at the conference meet.

Before coming to Nebraska, Helferich was a top-16 finalist in the 200 back and a top-24 finalist in the 200 free at the Southern Zone Sectional Championships. She was also the valedictorian of her class at Odessa High School in Texas.

She earned her bachelor's degree from Nebraska in May of 2019 as a civil engineering major. She was a three-time academic All-Big Ten choice and earned eight spots on the Nebraska Scholar-Athlete Honor Roll.

KAITLIN ARNTZ
2010

Kaitlin Arntz earned third-team CSC Academic All-America honors in the at-large category following her senior season for the Huskers in 2010.

Arntz was one of Nebraska's top breaststroke and individual medley swimmers during her time in Lincoln. She capped her outstanding career by becoming the first CSC Academic All-America women's swimmer in school history.

Arntz capped her competitive career with a fourth-place finish in the 200-yard breaststroke at the 2010 Big 12 Championships. She added a fourth-place performance in the 100 breast and a sixth-place showing in the 200 IM.

She finished fifth in the 200-yard breaststroke and 11th in the 200 IM at the 2009 Big 12 Championships. She was Nebraska's team MVP as a junior.

As both a freshman and sophomore, Arntz finished eighth in the 200 breast and 10th in the 100 breast at the Big 12 Championships.

Arntz joined the Huskers after a stellar high school career at Millard West in Omaha. She was a 16-time All-American at Millard West and a five-Nebraska state champion. She closed her high school career holding seven school records.

An advertising major at Nebraska, Arntz was nominated with a 3.94 cumulative GPA. She also earned first-team CSC All-District VII honors. An honorable-mention CSCAA Scholar-All-America selection in 2010, Arntz was also a three-time academic All-Big 12 Conference selection for the Big Red from 2008 to 2010.

COURTNEY JENSEN
2000

Courtney Jensen capped an outstanding academic and athletic career as a first-team CSC Academic All-America selection in the at-large category as a senior in 2000.

Jensen, a Husker co-captain and four-year letterwinner from Sheridan, Wyo., was a leader for Nebraska in the diving well throughout her career.

As a senior, Jensen produced a career-best 11th-place finish on the three-meter board at the 2000 Big 12 Conference Championships. She added a 17th-place performance in the one-meter dive.

As a junior, Jensen took 13th on the three-meter board at the 1999 Big 12 Championships, while adding a 23rd-place finish in the one-meter event.

Those performances followed a sophomore season in which she placed 21st on the three-meter and 22nd on the one-meter at the 1998 Big 12 Championships.

She opened her Husker career with 13th-place finishes on both the one- and three-meter boards as a freshman at the 1997 Big 12 meet.

A high school All-American both in competition and in the classroom, Jensen was a two-time Wyoming state champion at Sheridan High School.

An elementary education major at Nebraska, Jensen was nominated for the CSC Academic All-America At-Large team with a perfect 4.0 grade-point average. She claimed first-team CSC All-District VII honors to advance to the national ballot and become Nebraska's first female swimming and diving CSC Academic All-American.

NEBRASKA'S GOLDEN PENNY

PENNY HEYNS
Amanzimtoti, South Africa
Olympic Gold & Bronze Medalist
World Record Holder

It's not every day you run across a golden penny.

But for South Africans and Nebraskans alike, there was one shining bright at the 1996 Olympic Games in Atlanta.

Penny Heyns, a former University of Nebraska standout, earned two gold medals and became the first female in Olympic history to sweep the breaststroke events.

Heyns' whirlwind year of success began on the collegiate level. In Husker suit and cap at the 1996 Big Eight Championships in mid-February, Heyns set a then-NCAA and U.S. Open record in the 200-yard breaststroke (2:08.90), as well as an NU record in the 100-yard event (1:00.18) to help Nebraska win its third consecutive conference crown.

After setting the records, Heyns was forced to travel home for the South African Olympic Trials, which were inconveniently scheduled between the two most important collegiate meets, the conference and national championships.

Nevertheless, it proved to be a trip Heyns would never forget.

During the preliminary heat of the 100-meter breaststroke at the trials, Heyns set a world record with a time of 1:07.46.

The time broke the record held by Australia's Samantha Riley, who had set a mark of 1:07.69 in September, 1994.

Just days after her return from South Africa, Heyns became the first Husker to win a national championship at the NCAA Championships in Ann Arbor, Mich.

Heyns dominated the 100-yard breaststroke with a pool-record 1:00.27 and also earned a silver medal in the 200-yard breaststroke with a 2:09.71 performance.

Heyns then entered the Olympics as the frontrunner in the 100-meter breaststroke event. She proved she had earned that title in the preliminaries, as she blew away the competition and shattered her own world record in a clocking of 1:07.02 in the process.

In the finals, Heyns got off to a quick start, but didn't dominate as she had in the prelims. America's Amanda Beard began her trademark kick at the 50-meter mark and almost caught Heyns at the wall. Heyns held on to finish in 1:07.72 and edged Beard (1:08.09), to claim gold for the first time.

Two days later, Heyns proved she wasn't finished.

After setting an Olympic record of 2:26.63 in the preliminaries of the 200-meter breaststroke, Heyns was timed at 2:25.41 in the finals and again beat out Beard (2:25.75) for the gold. Beard entered the Olympics ranked No. 1 in the 200, but couldn't catch up with the quick pace Heyns set from the start.

"That was one of the hardest races I ever swam," Heyns said following the race. "I'm just glad I had the guts to hang in there."

At a press conference in Lincoln, Neb., the week following her gold medal performances, Heyns admitted she was surprised about the win in the 200.

"In some ways, I sit back, and I really can't believe it," Heyns said. "The 200 (win) was totally unexpected. I don't think it has sunk in yet."

An extremely successful career at Nebraska fine-tuned Heyns for Olympic success. A 15-time All-American and 14-time conference champion for the Huskers, Heyns left Nebraska as the most decorated swimmer in the program's history. Heyns' accomplishments at Nebraska and on the international level will always be recognized.

Heyns has continually showed her appreciation for the University of Nebraska and its athletic department.

Following her double gold medal performance, Heyns didn't waste any

time in thanking the Nebraska Swimming and Diving Program and its support staff for the role they played in her Olympic success.

"There is no way I would even be swimming today if I didn't come to Nebraska," Heyns said. "Nebraska has done so much for me that I could never express it. It's not just swimming, it's a family to me -- the whole coaching staff and all my friends."

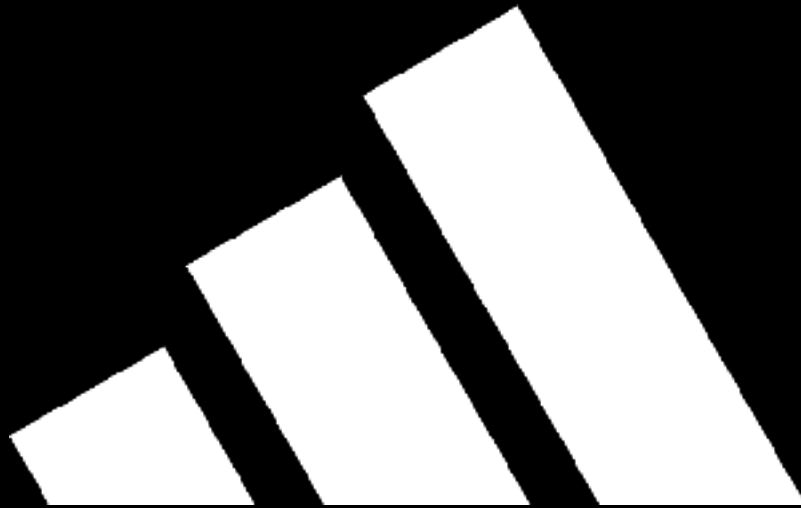

For the next four years Heyns continued to define excellence in the sport of swimming on a world-class level by producing one of the greatest performances in the history of the sport.

At the 1999 Pan Pacific Championships, Heyns established three world records. Winning gold in both the 100- and 200-meter breaststrokes, Heyns touched the wall in 1:06.52 and 2:23.64, respectively, both world bests. In addition, she swam an exhibition 50-meter breaststroke, posting another world record with a time of 30.83.

Heyns took home her third medal at the 2000 Sydney Olympics by earning a bronze medal in the 100-meter breaststroke in a time of 1:07.55.

Olympic gold medalist Penny Heyns became the first Husker to win an NCAA Championship in 1996.
