ACADEMIC COUNSELING
A team of 14 academic staff members are in place to monitor daily academic progress, promote skill development, receive consistent course feedback, assist with the advising/registration process and monitor eligibility and progress toward graduation.

TUTORIAL SUPPORT
A tremendous resource for all academic abilities, tutorial support is available from day one up to college graduation in all subject areas. Tutorial support is provided both in-person and virtually. Nebraska's tutorial program is certified by the College Reading and Learning Association.

STUDY HALL
Student-athletes attend a supervised study hall within the Osborne Legacy Complex that features day and evening hours. Student-athletes are required to complete a specific number of study hours each week and/or a list of academic tasks as determined by their academic counselor, learning specialist and coach.

MENTORING
Academic staff serve as mentors to all incoming student-athletes and select returning student-athletes. The student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS
Assessments are administered upon the request of the student-athlete, academic counselor or coach. A learning specialist is available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a neuropsychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION
Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING
Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

TRAINING TABLE

DINING ROOM AND TABLE TOP SEATING

The Training Table inside the Osborne Legacy Complex is the primary resource for student-athletes to seek out holistic fueling options. The Student-Athlete Training Table operates and sets its menus with a student-athlete first mentality. It seeks to provide healthy, accommodating nutrition options for all student-athletes at breakfast, lunch and dinner.

The Training Table also features the Lewis Family Life Skills Kitchen, allowing student-athletes to practice their culinary skills and learn more about making nutritious meals.

Fueling stations are the secondary resource for student-athletes to fulfill their fueling needs. The primary goal of our fueling stations is to provide quick and easy sources of nutrition and hydration to supplement training and competition.

Nebraska is the first college in the country to partner with FLIK Hospitality to provide a world-class custom performance nutrition program. Before partnering with Nebraska, FLIK worked exclusively with professional athletes, fueling over 25 professional teams across the NFL, NBA, WNBA, MLB, MLS and USL Championship League.

THE UNIVERSITY OF NEBRASKA

THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie "R1: Doctoral Universities – Highest Research Activity" category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 18 Big Ten Institutions and partners with the University of Chicago. Being in the Big Ten Academic Alliance gives Nebraska several advantages, including: access to library collections across the conference, reduced costs through tech collaborations, lower student costs on course materials through collective purchasing and licensing, and study abroad partnerships and course-sharing agreements — students can take courses across Big Ten institutions.

- **» 63 bowlers combined for 134 NTCA All-Academic selections**
- **» 42 bowlers combined for 92 NTCA All-American awards**
- **» 21 bowlers have been selected to national teams**

Paul Klempa begins his eighth season leading the Husker bowling program in 2026-27, as he was tabbed to replace legendary coach Bill Straub on Sept. 3, 2019.

Klempa, who has been a part of the Husker program since it was elevated to varsity status in 1997, has been instrumental in building Nebraska bowling into a dynasty over the past three decades. Since becoming an NCAA sport in 2004, the Huskers have won a nation-leading six national titles and finished runner-up on four more occasions. Klempa spent 22 seasons as an assistant, serving a majority of the 2013-14 season as NU's interim head coach, before taking over prior to the 2019-20 season.

Klempa has put his own stamp on the program over the last eight seasons, coaching a trio of NTCA Bowlers of the Year and 16 All-Americans. NU has earned a trio of top-three NCAA finishes and guided the Huskers to their national-best sixth NCAA title in 2021.

Even though the Big Red finished runner-up in the Pittsburgh Regional in 2025-26, they put together a solid season showing they were still a force to be reckoned with. They recorded one regular-season title and a trio of third-place finishes, as well as a fourth-place finish in the Conference USA Championship. Jillian Martin and Karina Capron earned All-America honors.

In 2024-25, the Huskers won three regular-season titles and returned to the NCAA Championships by winning the Pittsburgh Regional before finishing third at nationals. Junior Jillian Martin became the third Husker under Klempa to win NTCA Bowler-of-the-Year honors, while Kayla Verstraete, Anna Callan and Kayla Starr all earned All-America honors. Nebraska continued its streak of being the only team in the nation to qualify for postseason appearances since the addition of women's bowling to the NCAA in 2004.

Despite the 2023-24 season holding no tournament titles, the team demonstrated Nebraska's reputation as a powerhouse program, earning double runner-up finishes, as well as a pair of third-place finishes. The team ended the season with an 85-41 record.

In 2022, the Huskers put together a dominant regular season and qualified for the NCAA Championships as the No. 2 overall seed. NU won five tournaments on the year and placed in the top three teams in eight of nine events. Sophomore Kayla Verstraete earned second-team NTCA All-America honors, while Cassidy Ray and Kendyl Hofmeister both earned honorable-mention accolades. Ray, a three-time All-American, was lauded for her efforts in the community as one of three Heart and Soul winners at the annual Night at the Lied event.

The 2021 season continued the Huskers' success under Klempa, as the program won its sixth NCAA title and first since 2015. Crystal Elliot was named NCAA Tournament MVP and NTCA Player of the Year, as she ranked in the top three nationally in traditional average and baker frame average. Verstraete and Ray also earned All-America honors, while NU posted top-five finishes in all six tournaments. Klempa was named the NTCA National Coach of the Year for his efforts.

While Klempa's first season was shortened by the COVID-19 pandemic, the Huskers finished the season ranked third nationally, while Raquel Orozco was named NTCA Division I Bowler of the Year and was selected as Nebraska's Female Student-Athlete of the Year.

Klempa's association with the Nebraska bowling program dates back to 1992. After a collegiate career in which he earned All-America honors as a senior in 1994, Klempa remained in Lincoln and was hired as the Huskers assistant coach in 1997 - the first season bowling became a varsity sport at Nebraska.

During his tenure at Nebraska, Klempa has helped guide the Huskers to eight national championships - including back-to-back NCAA titles in 2004 and 2005, and NCAA championships in 2009, 2013, 2015 and 2021. In the 20 years that the NCAA has sponsored bowling, Nebraska is the only program to have qualified for the NCAA Championship in every season. He has tutored nine National Collegiate Bowlers of the Year, 35 bowlers who have combined for 74 NTCA All-America awards and 17 student-athletes who went on to represent various national teams.

A native of Johnstown, N.Y., Klempa graduated from Nebraska in 1994 with a degree in psychology. He owns several 300 games and 800 series in his decorated career, has represented Nebraska in the U.S. Open and is also a State Match Game champion. Klempa and his wife, Leanna, reside in Lincoln and have two sons, Jake and Carter.

- **Four-Time Junior Team USA Member**

Former Husker great Julia Bond is in her sixth season on the Nebraska bowling coaching staff after rejoining the program in September of 2021.

Bond has been instrumental in the Huskers' success in her three seasons, helping coach nine bowlers to NTCA All-America honors, including 2025 NTCA Bowler of the Year Jillian Martin.

Bond helped the Huskers to a solid season in 2025-26, taking home one tournament title and three third-place finishes in a year where the Huskers fell just short of a NCAA Championships appearance.

In 2024-25, Bond helped NU win three regular-season events, as well as the NCAA Pittsburgh regional on its way to a third-place showing at the NCAA Championships. Nebraska continued its streak of being the only team in the nation to qualify for postseason appearances since the addition of women's bowling to the NCAA in 2004.

Despite the 2023-24 season holding no tournament titles, the team demonstrated Nebraska's reputation as a powerhouse program, earning a pair of double runner-up finishes, as well as a pair of third-place finishes. The team ended the season with an 85-41 record.

Bond made a significant impact in her first season, as Nebraska earned top-three finishes in eight of nine regular-season events, including five tournament titles. The five tournament wins were NU's highest total since winning six events during the 2017-18 season. She also tutored three bowlers to NTCA All-America honors.

A four-time All-American as a collegian, Bond returned to her alma mater after winning three events in 2021, highlighted by United States Bowling Congress Queens for her first career major. She has also been a member of Team USA since 2017 and earned a silver medal at the 2022 World Games in Birmingham, Ala. Before turning professional in 2018, she won the 2017 U.S. Amateur and was the runner-up the following year.

As a Husker, Bond enjoyed one of the most decorated careers in program history. She is one of only five bowlers in school history to be a four-time NTCA All-American since the program earned varsity status in 1997-98. Bond finished third in career average (210.092), won six individual event titles and posted 21 top-five finishes in 49 events. NEBRASKA BOWLING: UNMATCHED CHAMPIONSHIP TRADITION

In its 29 years as a varsity sport, Nebraska has helped define the standards of collegiate bowling, emerging as one of the top programs in the nation, winning eight national titles, including six NCAA Championships.

Paul Klempa, a Husker Bowling veteran, inherited the Head Coach's position from legendary coach Bill Straub in 2019. Since then the Huskers have continued to demonstrate dominance and excellence, winning their most recent national title in 2021 and having three NTCA Division I Players of the Year since 2020.

In 2021, the Huskers rebounded from losing their opening match to win seven-straight matches en route to the program's first NCAA title since 2015. Crystal Elliott was named the tournament's Most Outstanding Player, capping a season where she also won NTCA Bowler of the Year. In 2020, Raquel Orozco was named the 2020 NTCA Division I Player of the Year, as the Huskers were in contention for the national crown before the season was cut short by the COVID-19 pandemic. In 2024-25, Jillian Martin became Nebraska's most recent NTCA Division I Player of the Year, as she led the Huskers to a third-place finish at the 2025 NCAA Championships.

Straub built a legacy of success in his time at Nebraska bowling, winning seven national championships, including five NCAA titles since capturing the inaugural crown in 2004. Once bowling became an NCAA-sanctioned sport in the fall of 2003, the Huskers won back-to-back titles in 2004 and 2005 and captured another in 2009. The Huskers again added to their trophy case in 2013. After a runner-up finish in 2014, the Huskers stormed to their nation-leading fifth NCAA crown in 2015, behind NTCA Player of the Year Lizabeth Kuhlkin and NCAA Championship Most Valuable Bowler Julia Bond. Nebraska has won 124 tournament titles in 282 competitions through the 2025-26 campaign including eight national championship tournaments. Straub and Klempa have created a dynamic foundation for Nebraska's success. With a world-wide approach to recruiting, Nebraska bowlers have been well-represented in national and international competitions.

Numerous Husker bowlers have shone on the international state, qualifying for their national teams. In addition to the U.S. National teams, Huskers have spread to other nations including Netherlands, Canada, Indonesia, Singapore, Colombia, Costa Rica and England. While the Husker team accomplishments have been paramount, numerous bowlers have also enjoyed individual success. NU has had at least one All-American in each of the last 37 years, dating back to the bowling club program days.

Since 1989, 42 Huskers have combined for a total of 92 All-America awards including 10 National Collegiate Bowler of the Year awards and five National Collegiate Rookies of the Year awards. Nebraska Bowling has also excelled in the classroom as well as the lanes producing 63 bowlers for a combined 134 All-Academic Team selections.

Nebraska has provided the vision of the future for collegiate bowling, championing the sport at the national level through its club program days. Straub and Klempa teamed for the first year of bowling as a varsity sport at Nebraska in 1997-98. The first year was historic in several respects, but most importantly was the granting of the first full scholarship in the sport's history to Jennifer Daugherty, who went on to earn first-team All-America honors in both 1998 and 1999. In the 23 seasons that the NCAA has sanctioned bowling, Nebraska today is the only program in the nation to qualify for the NCAA Championship every season.

UNIVERSITY OF NEBRASKA ADMINISTRATION

JEFFREY P. GOLD

[NEBRASKA SYSTEM PRESIDENT]

Jeffrey P. Gold, M.D., became the ninth president of the University of Nebraska System on July 1, 2024, following a national search by the Board of Regents.

As president, Gold leads a four-campus university system that enrolls nearly 50,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a $3 billion annual budget and includes a flagship Big Ten institution, a world-renowned academic health sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

2020-2024	Walter "Ted" Carter
2024-2024	Chris Kabourek*
2024-pres.	Jeffrey P. Gold, M.D.

* Interim President

He is a nationally recognized higher education and health care leader and advocate. He was the chancellor of the University of Nebraska Medical Center (UNMC) and board chair for the Nebraska Medicine Health System from 2014 to 2024. As UNMC's chief operating officer, Dr. Gold was responsible for all aspects of campus leadership, program quality and operation – including 7 colleges, 37 institutes and centers, 5,429 faculty and staff and 4,700 health professions students.

In July 2021, Dr. Gold was named the Provost and Executive Vice President of the University of Nebraska System in addition to his ongoing UNMC/Nebraska Medicine responsibilities. In this role, he served as the chief academic officer of the University of Nebraska System and liaison to the Board of Regents for academic affairs. From May 2017through June 2021, Dr. Gold served as the chancellor of the University of Nebraska at Omaha, the state's only public metropolitan university – a role he held concurrently with being UNMC's chancellor.

He holds tenured faculty appointments in UNMC's College of Medicine and in the College of Public Health, where his research interests in health care policy, population health and epidemiology are concentrated. He has authored over 200 peer-reviewed manuscripts, 350 national presentations, 40 books and chapters and engaged in over 300 invited professorships and keynote presentations.

Dr. Gold is a first-generation student; he graduated from the Cornell University College of Engineering with a bachelor's degree in Theoretical and Applied Mechanics. He earned his M.D. from the Weill Cornell College of Medicine and completed his general surgery residency at The New York–Presbyterian Hospital and Memorial Sloan Kettering Cancer Center. He completed his cardiothoracic surgical fellowship training at the Brigham and Women's Hospital in Boston, with additional training in pediatric cardiac surgery at the Boston Children's Hospital, both of the Harvard Medical School.

He has been certified by the American Board of Surgery and by the American Board of Thoracic Surgery, specializing in adult and pediatric cardiac surgery. Dr. Gold is licensed in Nebraska, Ohio, New York and New Jersey.

Dr. Gold leads several key economic development boards for the State and the University System, including the Greater Omaha Chamber, University Tech Development Corp, the University Tech Transfer Corp, and UNeTech Corp.

His national leadership roles have included more than 50 national professional committees and more than 100 national organizations, volunteer boards, government and public health councils. He has worked extensively with national- and state-level elected and appointed governing and administrative bodies as an advisor and trusted resource in the areas of higher education, research and clinical care.

Dr. Gold has been married for more than 50 years to a medical school classmate. They have two adult children and two grandchildren.

KATHERINE S. ANKERSON

[INTERIM CHANCELLOR]

Katherine "Kathy" Ankerson currently serves as interim chancellor of the University of Nebraska–Lincoln. Her appointment was announced Jan. 5, and she began the interim role on Jan. 12.

Ankerson previously served as UNL's executive vice chancellor from January 2022 until her retirement on Dec. 31, 2024. She was appointed to that role following an internal search in 2021. Her career in higher education spans 35 years, including 24 years at UNL.

Prior to serving as executive vice chancellor, Ankerson was dean of the College of Architecture from 2016 to 2022, where she led a comprehensive revitalization of the college. Under her leadership, the college experienced significant gains in faculty achievement and student success, including 24% of architecture faculty earning the highest academic and professional honors, an increase in the six-year graduation rate from 50.9% to 71.9%, and five-year employment rates for graduates consistently ranging between 95% and 100%.

2026-Present	Katherine S. Ankerson*

* Interim Chancellor

Earlier in her career at UNL, Ankerson served as a professor and associate dean in the College of Architecture from 1996 to 2011. She has also held academic positions at Radford University and Washington State University and served as professor and head of interior architecture and product design at Kansas State University.

An award-winning author and educator, Ankerson was named the International Interior Design Association's 2020 Educator of the Year. She is a strong advocate for interdisciplinary and cross-disciplinary engagement, the value of design and making, and the integration of emerging technologies to strengthen traditional design practices. Her leadership emphasizes inclusive innovation and celebrates excellence across academic disciplines.

Among her notable initiatives, Ankerson led the 20th Anniversary Nuckolls Lighting Grant, a collaborative project involving nine educators across architecture, interior design, engineering, and lighting design from four major universities. The effort produced the award-winning, web-based resource Lighting Across the (Design) Curriculum.

An architect and designer by training, Ankerson earned a Bachelor of Science, Bachelor of Architecture, and master's degree from Washington State University.

*Interim Co-Directors

A respected leader in collegiate athletics with deep Midwestern roots, Troy Dannen is in his third year as Nebraska's Director of Athletics. Dannen guides Nebraska's 25-sport athletic department that ranks among the nation's most successful programs both athletically and academically.

Since arriving in March of 2024, the Huskers have post three straight top-25 finishes in the Learfield Director's Cup, marking the first time Husker Athletics has accomplished that feat in more than two decades.

The Huskers enjoyed broad-based success in 2025-26, posting nine top-10 national finishes in earning a 17th-place showing in the Directors' Cup, tying their best finish since 2001. The Husker men's basketball program reached the NCAA Sweet 16 for the first time in school history, the Husker softball team reached the Women's College World Series for the first time since 2013, while the men's and women's outdoor track squads posted top-10 finishes in the same season since 2003.

Dannen has also positioned Nebraska at the forefront of the evolving collegiate athletics landscape. In January of 2026, Nebraska added its 25th sport with the addition of flag football. NU became the first Power Four Conference school to announce the addition of flag football, which plays its inaugural championship season in the spring of 2028.

In April of 2026, Dannen announced the most ambitious project undertaken in Nebraska Athletics history with the "Big Red Rebuild." The $600 million project will transform Memorial Stadium while honoring its storied legacy and usher in a new era of energy, access and year-round engagement. The redesigned stadium will offer improved access, seat comfort, enhanced sightlines, and upgraded amenities throughout the entire stadium when completed in 2028.

Nebraska has maintained its strong tradition of academic excellence, posting a 92 percent Graduation Success Rate in the most recent NCAA release. NU had 10 student-athletes earn Academic All-America honors, raising its Big Ten-leading total to 384, while 323 student-athletes earned Academic All-Big Ten honors in 2025-26.

Dannen has long been a leader in charting the course for the future of college athletics and that has continued in Lincoln. Dannen is in his second year on the College Football Playoff Selection Committee, continuing his impact on the national level, and has been active in Big Ten leadership roles.

During the 2024-25 season, five Husker teams finished in the top four nationally, as the volleyball program reached the Final Four, while the wrestling team posted its highest finish in school history with a national runner-up showing and had multiple individual national champions for the first time since 1984. The softball program won its first NCAA regional since 2014 while baseball repeated as Big Ten Tournament champions. After his arrival in Lincoln in March of 2024, Dannen's first spring featured a pair of Big Ten titles, as the Husker baseball team won the Big Ten Tournament, while the men's track team won the Big Ten Outdoor Championships. Both the Husker men's and women's track teams also posted top-15 NCAA finishes in the outdoor season.

Dannen has been a national leader during his previous stints as Athletic Director at Washington, Tulane and Northern Iowa. He served from 2021 to 2023 as a member of the NCAA Constitution Committee and the Division I Transformation Committee. He also previously served as chair of the NCAA Football Competition Committee and was an Executive Committee member of the Football Oversight Committee. In total, Dannen has served on seven NCAA committees. In 2022, Dannen was a finalist for Sports Business Journal's Athletic Director of the Year award, and he received the Distinguished American Award from the Sugar Bowl Chapter of the National Football Foundation.

Dannen came to Lincoln after serving as Director of Athletics at the University of Washington. He helped guide the Huskies' transition to the Big Ten Conference and oversaw a football program that reached the College Football Playoff National Championship Game in January of 2024.

He took over in Seattle in the fall of 2023 after eight successful years as Director of Athletics at Tulane University. While at Tulane, Green Wave student-athletes earned 49 All-America honors, a national championship, 21 conference championships and 41 postseason appearances.

In 2022-23, Tulane football won its first American Athletic Conference football championship and won the Cotton Bowl over USC, which was ranked ninth in the nation at that time. The men's basketball program won 20 regular-season games for the first time in two decades. Additionally, men's tennis advanced to its sixth NCAA Tournament in seven years, both bowling and beach volleyball finished ranked in the top 20, and baseball won the conference championship.

Tulane's football program participated in an unprecedented three consecutive bowl games from 2018 to 2020, winning back-to-back bowl games for the first time in 128 years of football at the University. In the classroom, Tulane student-athletes excelled at a high level. At the end of the 2022-23 academic year, over 68 percent of Green Wave student-athletes earned a 3.0 GPA or better, with a 93 percent Graduation Success Rate and a record-setting department Academic Progress Report of 992, with seven teams earning a perfect 1000 APR score.

Dannen spearheaded fundraising efforts and numerous capital projects at Tulane. He helped secure the largest unrestricted gift in Tulane Athletics history, an endowment gift that funded the operation of a new sport (sailing), and a $10 million lead gift for capital renovations, which was the second-largest gift in department history. In addition, marketing and licensing revenue grew four-fold, and in 2022-23, Tulane football, basketball and volleyball set ticket sales and revenue records. Under Dannen's leadership, the Green Wave Club Annual Fund grew by 40 percent in donors and 45 percent in dollars raised.

Increases in fundraising and major gift donors positively impacted capital project development and completion. A $13 million renovation to the Reilly Natatorium, home of the swimming and diving program, as well as $8 million in renovations to locker rooms and the sports medicine area inside the Wilson Center were completed in 2023. Dannen also oversaw construction of a new dining facility, weight room, basketball and volleyball locker rooms. Tulane also completed a $2.4 million academic center renovation and a $5 million television and digital production center.

Before taking over the Green Wave program, Dannen served eight years as the Director of Athletics at the University of Northern Iowa (UNI) from 2008 to 2015. During his tenure, the Panthers enjoyed success at both the conference and national levels, highlighted by an NCAA Sweet 16 appearance in 2010 by the UNI men's basketball team. During his eight-year tenure, UNI was recognized with 39 All-Americans, 13 Coaches of the Year and nine Missouri Valley Conference (MVC) Players of the Year. UNI football, men's basketball, women's basketball, volleyball and softball combined to reach 15 NCAA tournaments and 20 postseason berths during that stretch. For his efforts, Dannen was recognized as NACDA's FCS Athletic Director of the Year in 2014.

Prior to his time at UNI, Dannen served as the Iowa Girls High School Athletic Union's Executive Director for seven years, overseeing 400 high schools and 10 sports.

Dannen grew up on a farm just outside Marshalltown, Iowa, and graduated from UNI in 1989 with a degree in communications. He is married to Amy and has four children: Elizabeth, William, Emily and Holly.

SCOTT FUESS JR.

[FACULTY ATHLETICS REPRESENTATIVE]

Scott M. Fuess Jr. is in his sixth year as Nebraska's Faculty Athletics Representative, having started on July 1, 2020.

As faculty athletics representative, Fuess serves as a liaison between the Office of the Chancellor and Athletic Department. He also serves on the Athletic Department's Executive Staff. His areas of focus in the role include the welfare of student-athletes, NCAA and Big Ten Conference compliance, maintaining the positive relationship between athletics and faculty, developing and responding to NCAA legislative proposals and representing the university at related NCAA and Big Ten Conference meetings. In 2023, he was appointed to a four-year term on the NCAA DI Committee on Academics.

The half-time position reports directly to the University of Nebraska System President and consults with Director of Athletics Troy Dannen. He splits time between faculty representative duties and academic responsibilities.

Fuess, the Steinhart Distinguished Professor of Business and former chair of the College of Business' economics department, has worked at the University of Nebraska-Lincoln since 1986. He serves on the Faculty Senate's Intercollegiate Athletics Committee, having chaired the committee for 2018-19 and a sub-committee in 2017-18. He also has served on numerous Big Ten Conference committees, including the Sports Management Committee, the Compliance and Reinstatement Committee and the Legislative Review Committee. From 2022 to 2024, he served as Chair of the B1G Compliance and Reinstatement Committee.

Fuess earned a bachelor's degree from the University of Delaware, as well as master's and doctoral degrees from Purdue University. His research interests are labor economics, the economics of collegiate sports, and the economy of Japan. He has earned numerous "Distinguished Teaching" awards. In 2016 he received the UNL College of Business "Distinguished Service" award.
