Description :

PDF-2ef29 | This volume brings two areas of study that have traditionally been kept apart into explosive contact. For the first time, it draws the historical literatures and cultures of the Middle Ages into the orbit of modern science fiction, aligning the cosmologies, technologies and wonders of the past with visions of the future. The essays it contains consider where, how and why "science" and "fiction" in... *Medieval Science Fiction (Kings College London Medieval Studies)*
