

Privacy Policy for ICAC Carbon footprint app

Effective Date: 20/July/2025.

1. Information We Collect

When you register or create an account , we collect the following information:

- **Email address**
- **Mobile number**
- **Full name**
- **Country of residence**

This data is used solely to create and manage your user account, provide support, and improve your experience within the app.

2. Data Usage & Storage

Your personal information is stored securely and is never shared with third parties unless required by law. We may use this data to:

- Authenticate your login
- Send important updates or verification messages
- Customize your app experience based on location

We do **not** access or collect other device data unless explicitly granted by you.

3. No Selling or Sharing

We **do not sell, rent, or share** your information with advertisers or marketers. Any information collected is used internally and strictly for your benefit.

4. Permissions

If the app requests device permissions (e.g., access to location or camera), these are clearly explained within the app and are completely optional. You can modify permissions at any time in your device settings.

5. Security

We implement standard security measures to protect your data, including encrypted communication and secure authentication. However, no system is 100% foolproof, so we encourage strong passwords and account awareness.
