Dear Parents/Guardians,

As senior students reach important milestones like passing their driving test and earning their licence, it is a pleasure for the school to see them growing in independence and preparing for the next chapter of their lives.

I am writing to share a small number of concerns that have been brought to our attention. As you know, parking on school grounds is not permitted due to limited space, and many students therefore park on John's Street. Parking itself is not the issue; however, we have noticed litter being left behind when cars depart, which reflects poorly on the students and on the school community. We would appreciate your support in reminding students to take all rubbish with them.

Secondly, a small number of observers have contacted the school with concerns about overcrowding in cars and in a few instances, erratic driving on leaving the area. While road policing is the responsibility of An Garda Síochána, we feel it is important to highlight our concern for students' safety and wellbeing.

I would greatly appreciate your assistance in reinforcing with your sons the importance of responsible behaviour, respect for the local community, and safe driving at all times.

Thank you, as always, for your continued cooperation and support.

Yours sincerely,

Brendan O'Sullivan
Principal
