Evaluation of Learning and Inclusive Practices in Post Primary Schools

Group Discussion with Parents

Dear Parent/Guardian,

The Inspectorate of the Department of Education will conduct an evaluation in your child's school in the coming days. The evaluation focuses on learning and inclusive practices.

In all our evaluations we try and include the perspective of parents. In this evaluation we will be holding a group meeting with parents. The meeting will last less than one hour and there will be at most twelve parents present. During the meeting we will discuss various topics such as your child's experiences in school and how the school supports your child to achieve the best possible outcomes. We will not be able to discuss the work of individual teachers.

The meeting will take place on: Monday 18 May at 3pm in the school.

I am writing now to invite you to attend this group discussion. I fully appreciate that this time may not suit you and if it doesn't, please let the school principal know.

Thank you most sincerely. I look forward to meeting with you, if it is convenient.
