

Ballymakenny College CCTV Policy

Section 1: Data Controller

In this section, we give you further information about us as a data controller.

1.1 Ballymakenny College is the data controller. Our address and contact details are • Ballymakenny Road, Drogheda, Co. Louth, - Tel: 041 980 2459.

1.2 Ballymakenny College has developed this CCTV Policy to supplement the CCTV Privacy Notice and the Ballymakenny College Data Protection Policy. This is in order to be transparent and accountable to data subjects in relation to the processing of CCTV data.

Section 2: CCTV recordings and legal basis

2.1 This CCTV Policy applies to the premises owned or controlled by Ballymakenny College. For the avoidance of any doubt, this Policy has no application to premises not in the ownership or control of Ballymakenny College (e.g. external institutions, etc).

2.2 In this section, we give you more information about the type of CCTV image we collect, why we use CCTV and what we do with CCTV recordings/images, and the lawful basis relied upon.

2.3 We use CCTV on our premises, at internal and external points. CCTV cameras are mounted on fixed-points.

2.4 For the avoidance of doubt, CCTV monitoring/profiling of an individual based on any of the following characteristics is prohibited by this Policy:

• Age • Civil status • Disability • Family status • Gender • Membership of the Traveller Community • Race • Religion • Sexual orientation

2.5 CCTV will be utilised in a fair and ethical manner. The location of cameras is a key consideration. Use of CCTV to monitor areas where individuals would have a reasonable expectation of privacy (e.g. bathrooms, changing rooms, etc.) is considered by Ballymakenny College to be unjustifiable and unethical.

2.6 Ballymakenny College has endeavoured to select locations for the installation of CCTV cameras which are least intrusive to protect the privacy of individuals. Cameras placed to record external areas are positioned in such a way as to prevent or minimise recording of passers-by or of another person's private property.

2.7 In any area where CCTV is in operation, there will be a prominent sign displayed notifying people of same. For the avoidance of any doubt, there shall be no covert CCTV recording.

2.8 A data protection impact assessment (DPIA) is undertaken when installing or making adaptations to CCTV systems where the processing is likely to result in a high risk to the rights and freedoms of data subjects.

2.9 The purposes of CCTV and the legal basis of same are set out below:
