

Leaving Certificate Mock Examinations Timetable 2026

Notes:

1. Break times will be indicated on the Exam Centre timetable. They may vary from day to day.
2. The full exam timetable plus room numbers will be displayed on the wall in the Teach Bhriain locker area and in the HUB over the coming weeks.
3. Please take note of when your last exam finishes. This may vary from day to day. Some exams finish later than the end of the school day. These times are highlighted in red.
4. **Do not come into school if you do not have an exam.** If you have an exam in the afternoon but not in the morning, you come in 10 mins before your exam is due to start.
5. There will be a study room available in the afternoons only. This is for students who are waiting to get the bus home if their exam finishes before the end of the school day.
