I have thoroughly enjoyed my time in Gaelcholáiste Dáibhís

GCD Student

Our daughter did NOT attend a Gaelscoil and since starting, teachers and fellow students have guided and helped her along.....It's amazing how much she has progressed in a few short months

GCD Parent

My daughter is so very glad she went to Gaelcholáiste Daibhís and as her parents we are delighted with her progress and the confidence she has gained since going there.

GCD Parent

I came from an English speaking primary school and was a bit nervous but the teachers are all so kind and helpful and I feel each of us has a strong bond.....I have had an amazing experience so far in GCD.
