Exam Papers

Colaiste Pobail Setanta uses Studyclix, the online past exam papers and solutions, instead of hard copy exam papers. This gives students access to all past papers by topic and marking schemes. The cost of this is covered by the college and so there is no need to purchase past exam papers.

PLEASE NOTE:

Please keep all your copies from 2nd Year. You will need at least two copies for each subject. It is a good idea to buy some ring binders and poly-pockets as well-this helps you keep extra notes safe and organised.

- You will need two whiteboard markers.
- Try to purchase A4 size copies with the plastic covers as these are not as heavy as the hardback copies.
- The booklist is also available on our website- www.cpsetanta.ie
- Please note that payment for the Junior Certificate Examinations is made to the State Examinations commission in March. (Holders of a valid medical card do not pay this fee).
- Please note that payment for the Junior Certificate Mock Examinations is made to the College through the enrol online payment system before the Christmas Holidays.
