Exam Papers

Colaiste Pobail Setanta uses Studyclix, the online past exam papers and solutions, instead of hard copy exam papers. This gives students access to all past papers by topic and marking schemes. The cost of this is covered by the college and so there is no need to purchase past exam papers.

PLEASE NOTE:

Please keep all your copies from 3rd Year. You will need at least two copies for each subject. It is a good idea to buy some ring binders and poly-pockets as well-this helps you keep extra notes safe and organised.

- You will need two whiteboard markers.
 - Try to purchase A4 size copies with the plastic covers as these are not as heavy as the hardback copies.
 - The booklist is also available on our website- www.cpsetanta.ie
 - LCVP Work Experience – over the summer months it is important for you to have researched your work experience placement as this is a compulsory part of the LCVP Programme and will start when you return in August/September.
-
