Dear Parents / Guardians,

Colaiste Pobail Setanta is delighted to announce the launch of our new App. The App is the schools' official platform for current parents/students and provides a "*Single Point Of Engagement*" on all school related matters. The App is intuitively designed, easy to use and packed with features which will centralise your engagement with the school. The main features include:

Communications

All communications for parents will be published through the App. This includes general school News, important Notifications, individual Personal Notifications, Notice Boards, Photo Galleries, school calendar and Notes from Parents.

Attendance Notes

Going forward all Attendance Notes (Absence, Late and Permission To Leave) must be sent through your App before **08:00 am.** This will allow school staff time to process your form(s). Forms submitted after **08:00** may not be processed until the following day.

Forms

All forms and documents which require your approval and signature can be submitted through the App.

Access Tyro

Parents can access their students Tyro account in "one tap" through the Home Menu on the App.

Resources

The information and resources sections of the app puts frequently referenced information at your fingertips.
