Other Information:

Notification of payment due for other activities will be requested prior to the event. E.g. school tours, buses.

Voluntary School Contribution:

€50 x 1 child, €80 x 2 (or more children).

This Voluntary Contribution payment is very much appreciated and can be paid in full at the beginning of the school year next September, or in two payments, September and January.
We appreciate very much your generosity in making this contribution which is used solely for the day to day running of the school, including heating, lighting and the general upkeep and maintenance. It is unfortunate that all schools must now request an annual voluntary contribution, but with the huge reduction of school Capitation Grants, Minor Works Grants, Summer Works Grants and financial assistance generally, we are left with little or no option.
Thank you for your support and generosity.

Payment by On-Line Banking :

We would like parents to use the preferred option of electronic bank transfer (better hygiene advice from the HSE). However cash/cheque will still be accepted.

The School bank details are as follows:

Bank: Allied Irish Banks, **IBAN:** IE09 AIBK 9371 5004 3560 86 , **BIC:** AIBKIE2D

Please reference your child's name or family name on the bank transfer so that we can identify who the payment is from.
