Review of the Child Safeguarding Statement and Risk Assessment

The Child Protection Procedures for Schools 2025 require that the board of management must undertake a review of its Child Safeguarding Statement and Risk Assessment. The following template must be used for this purpose. The review must be completed every calendar year or as soon as practicable after there has been a material change in any matter to which the Child Safeguarding Statement refers. Undertaking an annual review will ensure that a school also meets its statutory obligation under section 11(8) of the Children First Act 2015, to review its Child Safeguarding Statement and Risk Assessment every two years.

As part of the overall review process, boards of management should also assess relevant school policies, procedures, practices and activities and their adherence to the principles of best practice in child protection and welfare as set out in the school's Child Safeguarding Statement, the Children First Act 2015 and Children First National Guidance 2017, the Addendum to Children First (2019) and 2025, Children First National Guidance 2017, the Addendum to Children First (2019) and (2025), and the Child Protection Procedures for Schools 2025.
