

# ***Grease 2026***

# General Information

---

Dátaí don seó: 26th agus 27th March

---

Dátaí don seit: weekend of 14th March

---

It is essential that **every student is available during and after school hours the week of the show** (23rd – 27th March)

# Tinreamh *Attendance*

Attendance is highly important, if a student consistently misses rehearsals, they will unfortunately have less scenes as a result

If attendance of a student in a principal role is poor, we may consider recasting that role

# Na Feistis *The Costumes*

Most costumes have been ordered, only a few things will need to be purchased by the students, for example shoes and make up

Character shoes – nude,  
2" heel

# Tiomsú Airgid *Fundraising*

## Methods

- Sponsorship cards
  - Business Sponsorship
  - We would ask that 3 or 4 parents join Coiste na dTuismitheoirí and spearhead the fundraising
- 

# Google Sheets

We need every parent to be involved in looking for business sponsorship in order to reach all of our local areas i.e. Celbridge, Leixlip, Kilcock and beyond

All TY parents will communicate with one parent who will then input the info into the google sheets

# Achoimre *Summary*

---

Attendance is vital – during show week, there is no exceptions.

We need help with building the set, advertisement and most importantly, fundraising

Most costumes are ordered; however a few things will need to be purchased

Fundraising and attendance is crucial to having a successful show!

A photograph of four young men outdoors, likely on a beach or near the ocean, given the blue background. They are all wearing leather jackets. The man on the far left is in profile, looking towards the others. The man next to him is wearing a red and white striped shirt under his jacket. The man in the center is wearing a white t-shirt under his jacket and is laughing heartily. The man on the far right is wearing sunglasses and a light blue t-shirt under his jacket, also laughing. The overall mood is joyful and carefree.
