A Thuismitheoir/A Chaomhnóir, a chara,

Mar chuid d' Athfhorbair na Sraithe Sinsearaí beidh ar an scoláire tabhairt faoi Comhpháirteanna Measúnaithe Breise (CMB) sna ranganna. Is tionscadal é seo ar fiú 30%-50% den toradh iomlán san ábhar, agus beidh obair le déanamh air sa rang agus sa bhaile. Seo roinnt eolais maidir leis an cur chuige:

- Is tionscadal aonair é seo agus tá ar an obair a bheith déanta gan chúnamh
- Níl léibhéal (A nó G) bainteach leis an tionscadal go dtí go roghnaíonn an scoláire an léibhéal don scrúdú scríofa.
- Cé gur féidir leis an múinteoir treoir a thabhairt tríd an phróiséis, tá siad coiscthe ag Coimisiún na Scrúdaithe Stáit dréachtanna na tuairisce a cheartú.
- Caithfidh go mbeidh an múinteoir in ann obair an scoláire a dheimhniú. Le cúnamh a thabhairt dó sin, coimeádfaidh an scoláire **cuntas imscrúdaitheach**, maoirsithe ag an múinteoir.
- Má cheapann an múinteoir nach bhfuil obair an scoláire mar léiriú bunaidh agus fíor, ní ghá don mhúinteoir an tuairisc dheiridh a shíniú.

Tá féilire de na dátaí críochnaithe do na tionscnaimh Ardteistiméireachta ar fáil ar shuíomh na scoile faoi **"An tSraith Shinsearach → Eolas Maidir le Scrúduithe Stáit"**, ionas go mbeidh tú in ann teacht air am ar bith amach anseo.

Freagracht na Scoláirí

Féach thíos ar na dualgais agus freagrachtaí a mbeidh ar an scoláire le linn an tionscadail seo:

1. Tá sé de fhreagracht an scoláire cloí leis na spriocdhátaí atá leagtha síos ag an Coimisiún na Scrúduithe Stáit.

2. Tá se de fhreagracht an scoláire cloí le spriocdhátaí ranga nó aonair atá leagtha síos ag an múinteoir.

3. Mar gheall gur fiú an CMB 40% den toradh iomlán san ábhar, tá sé rí-thábhachtach go ndéanann an scoáire a d(h)ícheall.

4. Tá sé de fhreagracht ar an scoláire an choimre a léamh, agus sonraí agus riachtanais an tionscadail a bheith ar eolas acu i ngach ábhar.

5. Tá sé de dhualgas an scoláire aire a thabhairt don obair, cinntiú go bhfuil sé sábhailte, agus go bhfuil sé suas chun dáta go rialta (an cuntas imscrúdaitheach san áireamh).

Má tá ceist ar bith agat, ná bíodh drogall ort dteamháil leis an múinteoir ábhair.

Dear Parent/Guardian,

As part of the Senior Cycle Redevelopment students will have to complete an Additional Assessment Component (AAC) in class. This project is worth 40% of their overall grade in that subject, and work on this project will be completed in class and at home. Here is some information regarding the approach:

- *The project is an individual project and work submitted must be done unaided.*
- *The level of the project (H or O) is not relevant until the student decides what level of written exam to take.*
- *While teachers will offer guidance throughout the process, they are prohibited by SEC guidelines from correcting drafts of the project report.*
- *The teacher must be able to authenticate the work is the students own. To assist with this, students will maintain a digital investigative log overseen by the teacher.*
- *The teacher will not sign off on the final report if they feel it is not an original and truthful reflection of the work the student carried out in class/at home.*

There is a calendar of the final submission dates of Leaving Cert projects available on the school website under ***"An tSraith Shinsearach → Eolas Maidir le Scrúduithe Stáit"****, so that you can access it at any time in the future.*

Student Responsibility

Please see the duties and responsibilities of the student during the project:

1. *It is the responsibility of the student to comply with the deadlines set out by the State Examinations Commission.*
2. *It is the responsibility of the student to adhere to any class and individual timelines and deadlines set out by the teacher.*
3. *As this Additional Assessment Component will account for 40% of the mark of the subject's final grade, it is essential that students consistently apply maximum effort.*
4. *The student must have read and be familiar with the requirements and detail of the complete brief in every subject.*

5. *The student must take care and/or back-up their work regularly (including the investigative log).*

If you have any questions, please do not hesitate to contact the relevant subject teacher immediately.
