Dear Parents and Guardians,

As we approach the beginning of the State Examinations, I would like to take this opportunity to wish all of our 6th year students the very best of luck in their exams. We hope you all thoroughly enjoyed the graduation ceremony last week, it was a wonderful celebration of our students' hard work and milestones. I want to thank each of you for your support, partnership, and engagement over the last two years.

To ensure the examination period runs as smoothly and stress-free as possible for students, please note the following essential information and guidelines:

- **Exam Timetable & Candidate Info:** The official exam timetable and key candidate information can be accessed online at <https://www.examinations.ie/>. It is each student's individual responsibility to be fully familiar with the dates and times of all their examinations. A direct copy of the timetable schedule can be found [here](#).
- **Preparation Guide:** The State Examinations Commission's official guide to preparing for the examinations is available to read [here](#).
- **Arrival Times:** Students must arrive at the school at least **30 minutes** before the start of each exam. Please note that for their **very first exam**, students must arrive at least **45 minutes** early, as an official State Examinations roll sheet must be individually signed by each student before entering.
- **School Uniform:** Students are required to be in full, correct school uniform for the entire duration of their examinations.
- **Equipment & Prohibited Items:** Students must ensure they bring all necessary equipment required for their specific papers (e.g., calculators, mathematical sets, colouring pencils, pens, etc.). Absolutely no prohibited items, such as mobile phones or smartwatches, are permitted in the exam halls. These items must be handed over to the exam attendant at the door before entering and can be collected once the exam concludes.

Principal: Liam O'Mahoney M.Ed, B.Sc, H.Dip.Ed | Deputy Principal: Eanna Kennedy M.Ed. M.Sc, B.Sc. | Deputy Principal: Helen Ryan M.Ed, B.Sc.Ed | Deputy Principal: Justin O'Connor M.A., M.Ed., H.Dip.Ed., B.A. | Roll Number - 76476F

- **Exam Duration:** We very strongly discourage students from leaving their exams early. The time allocated to each paper is carefully designed to be the necessary time required to fully complete and review their work.
- **Canteen Facilities:** Please be aware that the school canteen will **not** be open during the period of the State Examinations. Students should plan to bring their own refreshments/packed lunches if they have gaps between morning and afternoon papers.

Thank you once again for your cooperation and support during this final milestone. If you have any questions or concerns please do not hesitate to contact me.

Yours sincerely,
Ciara Downey
