Dear Parents and Guardians,

As we come to the end of another academic year, I would like to thank you sincerely for your ongoing support, partnership and commitment to our school community throughout the year.

The Junior Cycle examinations have now concluded, and we are coming to the end of the Leaving Certificate examinations. I would like to congratulate all our students who sat State examinations this summer. We are incredibly proud of the dedication, resilience and hard work they have shown throughout the year and during the examination period. We wish them every success in their results and, most importantly, a happy, restful and well-deserved summer break.

One of the privileges of being part of Luttrellstown Community College is watching our students grow and flourish over the course of the year. Their kindness, friendliness and enthusiasm are evident every day and help create the positive and welcoming atmosphere that makes our school such a special place. We are immensely proud of everything they have achieved this year and grateful for the contribution they make to our school community.

I would also like to let you know that the calendar for the next academic year is now available on the school website.

Please note the following important dates:

- Thursday 27th August: First Year Induction
- Friday 28th August: Induction sessions for all other year groups
- Monday 31st August: First full school day for all students

We kindly ask all families to familiarise themselves with the calendar as it contains important information for the year ahead.

I would also like to thank parents for their patience and support during the rollout of our new school administration and communication platform, Tyro. We are very excited about this new development and look forward to using it to strengthen communication between home and school. Going forward, school communications will be sent through this platform.

We ask all parents and guardians to check their emails, complete the registration process and ensure that notifications are switched on so that important school updates are received promptly.

Further information about Tyro can be found on our school website [Access to 'tyro' & Summer Reports- LATEST UPDATE | Luttrellstown Community College](#)

Once the State examinations have concluded next week, the school building will close to facilitate extensive summer remediation and improvement works. During this period, if you need to contact the school, please do so by email at info@luttrellstowncc.ie, and a member of staff will respond as soon as possible.

We will be communicating further information regarding the availability and distribution of school books for the new academic year in August.

Finally, thank you once again for your continued support throughout the year. It is greatly appreciated and plays an important role in the success of our school community.

We look forward to welcoming our incoming First Year students in August and to seeing all our students return refreshed and ready for another exciting school year.

Until then, I wish all our students, parents, guardians and families a safe, enjoyable and restful summer break.

Kind regards,

Siobhán Moran
