In accordance with the Safety, Health and Welfare at Work Act 2005, it is the policy of the Board of Management/ ETB to ensure so far as is reasonably practicable, the safety, health and welfare at work for all staff and to protect students, visitors, contactors and other persons at the school from injury and ill health arising from any work activity.

The successful implementation of this policy requires the full support and active co-operation of all staff, contractors, and students of the school. It is recognised that hazard identification, risk assessment and control measures are legislative requirements which must be carried out by the employer to ensure the safety, health and welfare of all staff.

The policy was adopted by the Board of Management on 22nd September 2026

A full copy of the safety statement is available from the school upon request or is available on the school website.
