It is **MOST IMPORTANT** for parents to indicate on this form 4 schools to which they are applying in descending order of choice. Only those schools identified in order of choice will be empowered to consider your application. If your child is unsuccessful in obtaining the first choice, this will not prejudice his/her chances of obtaining a place in one of the lower choices. By submitting this form a parent acknowledges that failure to identify 4 choices may result in your child not being offered any school place should the schools applied to be over-subscribed or should your child not meet the criteria in the admissions policies of those schools identified. Schools will share the information for your preferences with other schools if relevant.
