Dear Parents/ Guardians,

The time has come again for our Parents' Association to hold our Annual AGM. We are pleased to invite you to join us on Wednesday, 26th November, from 5:30–6:30 pm.

All parents are cordially invited to attend. We would especially love to see some new faces, as this is a wonderful opportunity to meet other parents, share ideas, and become more involved in what is happening in your daughter's school. Your presence and your voice make a real difference.

Light refreshments will be available, and we look forward to welcoming you.

We hope to see you there!

Warm regards,

What Is the Purpose of a Parents' Association?

A Parents' Association exists to support the school and strengthen the connection between home and school life. Its main purposes are to:

- Build a strong school community by encouraging positive relationships among parents, teachers, and students.
- Give parents a voice in school life and provide a space to share ideas, suggestions, and concerns.
- Improve communication between families and the school.
- Organise events and activities that bring the school community together and support students' learning and wellbeing.
- Assist with fundraising to provide extra resources and opportunities for students.
- Encourage parent involvement, helping everyone feel welcome, valued, and included.

Overall, the Parents' Association works in partnership with the school to create a supportive and engaging environment for all students.
