At St. Cronan's, everyone gets opportunities to succeed

St. Cronan's will be enrolling Junior Infant girls and boys to start in September 2027.

Since 1820, St. Cronan's has been at the heart of education in Bray, and we are delighted to continue with a new chapter in our story. We are now enrolling infant girls, meaning that brothers and sisters will be able to have a shared school experience in St. Cronan's.

It is **MOST IMPORTANT** for parents to indicate their preference when they are applying. Only those schools identified will be empowered to consider your application. If your child is unsuccessful in obtaining their first choice, this will not prejudice his / her chances of obtaining a place in their second preference.

By submitting the form, a parent / guardian acknowledges that failure to identify more than one school may result in your child not being offered any school place should the school applied to be over-subscribed, or should your child not meet the criteria in the Admissions Policy of the school identified.

Schools will share the information for your preferences with other schools if relevant.

Right to Appeal

A parent / guardian may request the Board of Management of the relevant school to review a decision to refuse admission. Such requests must be made in accordance with the review procedures laid out in the Admissions Policy and Common Enrolment Procedure.

Code of Behaviour

All offers or enrolment are subject to an acceptance of the school's Code of Behaviour, a copy of which is available from each school or can be downloaded from each school's website.

Where there are differences between the information presented on this leaflet and that contained within the Admissions Policy and the Common Enrolment Procedure, the Admissions Policy and Common Enrolment Procedure shall take precedence.
