

## NUACHT LITIR NA SCOILE

## FÓGRAÍ

We are delighted to announce that The BrickxClub Limerick will be coming to our school with two exciting 6-week blocks of after-school brick-building fun! The first term will begin on November 6th, followed by a second block starting on February 5th. Each session offers children a fantastic opportunity to explore creative building, problem-solving, and teamwork in a playful, engaging environment.

Brick-building is more than just fun, it is a powerful tool for learning and growth. Through imaginative challenges and skill-building activities, children develop creativity, problem-solving ability, and persistence.

They'll enjoy plenty of opportunities to socialise and collaborate with their peers, all while having a great time. With small group sizes and access to a huge collection of LEGO bricks, every child will have the space and resources they need to let their imagination soar.

The cost for each 6-week block is €60. To secure a place for your child, please register your interest here: <https://forms.gle/QDe5pdixiFZgMpd96> or follow the contact details on the attached poster. Demand for these clubs is always high, and places are limited - so be sure to sign up quickly to avoid disappointment!
