

NUAHT LITIR NA SCOILE

**Cosaint Leanaí i nGaelscoil Chaladh an Treoigh**

Is éard atá i gceist le cosaint leanaí ná aon rud a dhéanaimid inár scoil chun leanaí a choinneáil slán ó dhochar.

Má deir nó má dhéanann duine rud éigin a ghortaíonn do pháiste nó a chuireann iad ar a míchompord, is féidir é a rá le duine a bhfuil muinín agat astu.

Cé leis ar cheart duit dul chun cabhair a fháil?

Bainteach le bulaíocht, is é an chéad phaointe teagmhála ná an múinteoir ranga.

Bainteach le cosaint leanaí, is í an duine idirchaidrimh ainmithe (nó DIA) ná an Phríomhoide Frankie Uí Fhrainclín. Is í an an leas duine idirchaidrimh ainmithe (nó LDIA) ná an Leas Phríomhoide Deirdre Ní Ghiolla Phádraig.

Cad a dhéanfaimid?

Éistfimid agus tuigfimid

Deanfaimid treoir nó lorgóimid cabhair

Leanfaimid an polasaí scoile

Child Safeguarding in Gaelscoil Chaladh an Treoigh

Child safeguarding is what we do in our school to keep children safe from harm.

If someone says or does something to hurt or make your child feel uncomfortable, you can tell someone you trust.

Who should I go to get help?

If your concern is about bullying, the class teacher is the first point of contact

If your concern is about child safeguarding, the designated liaison person (or DLP) is the Principal Frankie Uí Fhrainclín. The deputy designated liaison person is Deputy Principal Deirdre Ní Ghiolla Phádraig.

What will we do?

We will listen and understand

We will guide or look for help

We will follow school policy

Childminding Ireland is conducting a national survey of parents who use a childminder, ahead of new regulations coming into effect in September 2027 as part of the childminding reform programme being led by Minister Norma Foley. These changes may have a direct impact on the availability and accessibility of childminding services. Parents' experiences and views must be heard alongside those of childminders and other stakeholders as they are implemented. As someone with direct access to families navigating these decisions, your support in sharing this would make a real difference to the breadth and quality of our findings and help ensure that future policy decisions are grounded in the lived experiences of families.
