

TRANSITION YEAR UPDATE

Summer
2026

Our last term of TY has raced past, but it has been action packed. TYs represented us at EU Summits and at the AIB Future Sparks award ceremony in Croke Park. They took part in music workshops, a study skills programme and in an outreach event with Revenue. They were even checked out by a customs dog. They travelled to the University of Galway, the Aran Islands, The Michael Cusack Centre and as far as Barcelona. They have tried their hands at canoeing, fencing and jiving. They have braved roller coasters in PortAventura and an inflatable assault course in Killaloe and they took on the Gaisce challenge on blisteringly hot days in May. They may need a rest.

When asked about their favourite trip, students said:

closer as a year
Barcelona trip
great fun
fun activities
Holiday it was fun

friends
Killary

foreign trip
Barcelona
trip to Barcelona

trip to nuig
Barcelona it was fun
fun good
fun things
lots
Barcelona first time
room was very fun

When asked what they will remember, they replied:

getting more friends
workshops and trips
fun trips
Work experience
new things
new people
new friends
Barcelona
killary trip
trip
foreign trip
fun
things
fun the workshops
Getting closer
bearanrd casey
barcelona trip
police
good memories
Christmas market

Thank you to students for playing their part and getting involved. Thank you to parents for the support during the year. Thank you to the teachers who are always going the extra mile. Thank you to all of the organisations who have assisted us throughout the year.
