Tuesday 5th May 2026

Dear Parents and Guardians,

We hope this letter finds you and your family well. We are delighted to extend a warm welcome to you and your child as you prepare to join our school community this coming September. We know that the transition to secondary school is an exciting milestone, and we look forward to supporting both you and your child during this important step.

To help ease this transition and to give you a real sense of life in our school, we are pleased to invite you to the following event:

Incoming 1st Year Parent Coffee Morning and Student School Tour

Wednesday, 27th May 9.30am – 11.00am

Parents and guardians are invited to join us for a relaxed coffee morning in the school sports hall (please arrive and sign in via the school office). Tea, coffee and pastries will be provided, and this will be a wonderful opportunity to meet members of our teaching and support staff, as well as fellow parents. You will have the chance to ask questions, share experiences, and get to know more about the ethos and daily life of our school.

At the same time, your child will take part in a guided school tour led by our friendly and enthusiastic Meitheal Leaders. During this tour, students will explore the various facilities and experience a “day in the life” of a secondary school student.

This will include practical and reassuring insights into using lockers, how the school canteen works, moving between classes, and becoming familiar with the busy, vibrant atmosphere of our school. This morning is designed to help incoming students feel confident, comfortable and excited about starting secondary school in September, while also giving parents valuable information and peace of mind.

Our feeder primary schools will be notified in advance of the event as we continue to work with the primary schools to ease the transition for your child to secondary school. We very much look forward to welcoming you and your child on Wednesday, 27th May, and to beginning this journey together as part of our school community.

Yours sincerely,

John Nolan

Principal
