Dear Parent(s)/Guardian(s),

As previously communicated, we have officially moved our school management system from VSware to Tyro. You will receive an email directly from Tyro. Please check your inbox (and spam/junk folder) for this message, which will include:

- Instructions to set up your parent account.
- Login details for the new system.
- Guidance on downloading and using the Tyro app.

Missing the email? If you do not receive this email, or if we might have an incorrect email address for you, please complete this [Form](#).

What Tyro Allows You to Do

Once your account is active, you will be able to:

- **Track Attendance:** Monitor your child's daily attendance.
- **Access Academic Progress:** View reports and assessment results, including the summer exam report.
- **Stay Informed:** Receive direct school communications and important notes.
- **Monitor Wellbeing:** Keep track of behaviour and wellbeing updates.
- **Manage Information:** Update specific contact details when necessary.

Support and Next Steps

We understand that adapting to a new system takes time. To help with the transition, we will provide ongoing support, including a simple, [log-in guide](#) once all accounts are issued. If you have any questions in the meantime, please contact the school office. Thank you for your continued cooperation and support.

Yours sincerely,

John Nolan
Principal.
