In addition to the device and relevant support services, the online store offers the option to purchase extras such as insurance, a protective case, and other accessories. We strongly recommend that you purchase the **protective case** offered by Wriggle.

Delivery & Setup:

The Store will close on the **21st of June**, and devices will be delivered directly to the school in the new academic year. The Wriggle team will visit the school and provide full setup and support, ensuring that every device is ready for use in the classroom. We encourage you to place your order as soon as possible to guarantee timely delivery and setup, and to avoid any late fees. Please note that a **late fee of €50** will apply to any orders placed after the 21st of June.
