**Time:** 7.30 p.m.

Items discussed:

- Minutes of last meeting and any actions arising
- Treasurer's Report
- Principal's/ Teachers' Representatives'/BOM Parents' Reps' Addresses

Key Discussion of the Meeting: Fundraisers and Events

- Extended discussion on plans for the upcoming "Night To Remember" community event.
- Discussion of the use of a Sum Up machine for Parents Association activities. For now, the PA will use a device provided by the school.
- The Christmas Hamper appeal was a big success, people's generosity was noted.
- Survey to parents/guardians regarding social and educational events to be distributed.
- Input was sought from attendees on the idea of requiring 5th Year Students to purchase an Electronic device (Laptop/Chromebook) to facilitate the increased technology components of the Senior Cycle. The devices would be provided by an approved vendor and would be locked down while in school. The next step is to consult with parents on options, cognisant of valid issues raised at tonight's meeting.
