Dear Parent/Guardian,

We would like to welcome you and your son/daughter to Bridgetown College. We are excited and looking forward to working with you in the years ahead.

By way of helping your son/daughter to integrate into Bridgetown College, we are having an induction for all students who are transferring in before the full school community returns.

Induction will take place on **Tuesday 1st September** from **2.00pm – 3.00pm**. It will involve an information session where students get an opportunity to meet other students, receive information about the school and ask questions. It will be followed with a tour of the school. Students do not need to wear their school uniform to this session.

Our Home School Community Liaison Officer, Mr. Paul Ryder will meet with parents during this time to give information about the school and answer any questions you may have.

We ask all parents and students to sign in at reception.
