26th January 2026

We have learned of the death of one of our students, Grace Lynch. This is a terrible tragedy for her family, our school and our community. We are deeply saddened by her passing. Our sympathy and thoughts are with Grace's family and friends.

Grace was a 5th year pupil and was a lovely, bright, kind girl. She will be greatly missed by all who knew her.

Our school has implemented our Critical Incident Management Plan. Psychologists from the National Educational Psychological Service (NEPS) have been with us all day supporting and advising teachers in efforts to assist our students at this time.

Our teachers have been helping students to deal with this very sad event.

Thank you.

Marie Doyle

Principal
