Learning for life

12th November

Dear Parents/Guardians,

As you know, your son/daughter will begin their first block of work experience on Monday, 17th November. We hope this will be a valuable and enjoyable learning opportunity for them.

All students should have received the necessary documentation from their Guidance teacher. If not, they should check in with them before school finishes on Friday. Please remind your son/daughter to ensure their employer's details are completed on the online form available on their Careers Team.

Students have now completed their first timetable block, and Transition Year reports will be issued when they return to school. These reports differ from Junior Cycle reports — subjects are graded as Distinction, Merit, Pass, or Unsuccessful. Students will receive grades for subjects completed this term, and comments for subjects studied throughout the full year. We encourage you to take some time to discuss their progress and engagement with the programme.

We wish all students every success in the week ahead and are confident they will be excellent ambassadors for both the school and their families.

Yours sincerely,

Bridget O Connor

Transition Year Coordinator

Anna Nolan

Year Head
