### 6th Year – Mock Examination & State Exam Fees 2026

Dear Parent/Guardian,

As our 6th Year students approach the final and most important phase of their post-primary education, I wish to outline the costs associated with the 2026 Leaving Certificate Mock Examinations and related exam preparation.

We aim to provide students with a high-quality mock examination experience that closely reflects the standards, timings and conditions of the official Leaving Certificate. This gives students vital practice and provides teachers with reliable information on where further support and revision are needed. The mocks will take place between February 4<sup>th</sup> and February 13<sup>th</sup>, 2026 (timetable to follow).

For 2026, the cost of Leaving Certificate Mock Examinations is €120 per student, covering:

- a) All examination papers required for the candidate.
- b) All stationary requirements for the candidate (i.e. answer booklets)
- c) Postage of papers to the external correction agency.
- d) Audio recordings/maps/photographs/source documents etc
- e) The correction of the completed examination scripts through an external agency.
- f) The return of corrected examination papers to the students.

An invoice for this amount will be issued through Way2Pay, and I kindly ask that payment is made by Friday, 6<sup>th</sup> February 2026. If you have any queries regarding the Mock Examinations or experience any difficulties with the method of payment, please do not hesitate to contact us.

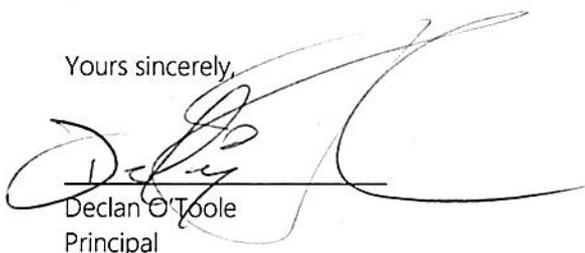

#### State Examinations Commission – Exam Fees 2026

The State Examinations Commission (SEC) has asked schools to inform parents/guardians that fees will apply for the State Examinations in 2026. The fees set by the SEC is €116 for the Leaving Certificate. Candidates who hold a full medical card, or who are covered for all services on a parent or guardian's full medical card, are exempt from the State Examination fees. Please note: the full cost of the mock examinations must still be paid by all students and if this fee is not paid, we will not be in a position to provide mock exam results for your son/daughter.

The SEC will publish further details later in the year regarding how these payments are to be made. Schools will share this information with parents as soon as it becomes available.

Thank you for your continued cooperation and for supporting your son/daughter as they prepare for their Leaving Certificate.

Yours sincerely,

Declan O'Toole  
Principal
