Learning for life

23rd April, 2026

Dear Parents/Guardians of 5th Year Students,

As part of our ongoing commitment to support our students in their career planning and to provide them with insights into third-level education, we have organized an educational trip to Maynooth University for all 5th Year students. We understand that this is short notice, however we have been on a waiting list for the campus tour and have only been offered a cancellation date this week and we are eager to embrace this opportunity. This trip is scheduled for Monday, 27<sup>th</sup> April and promises to be an enlightening experience for the students as they contemplate their future academic and career paths.

During the visit to MU, students will have the opportunity to explore the campus through a guided tour, which will give them a sense of what life is like for third-level students in Ireland. They will learn about the variety of courses offered, experience the campus atmosphere, and gain valuable information to help them make informed decisions about their future studies. It is an excellent opportunity for them to start thinking more concretely about their future educational journeys.

#### Details of the Trip:

- **Departure:** The buses will depart from Creagh College on Monday 27<sup>th</sup> April at 9am
- **Return:** We will return to the school in time for buses
- **Cost:** The cost of the bus is €10 per student. Please ensure this amount is given to their Guidance Counsellor as soon as possible

#### Important Notes:

- Students are expected to adhere to our code of positive behavior during the trip.
- We encourage students to use this opportunity to ask questions and gather information that will assist them in their decision-making process about third-level education.
- **Students must wear their full uniform and not their PE gear. Any student not in full uniform will not be attending.**
- Students will need to bring a packed lunch/snacks/ money for lunch.

Thank you for your continued support.
