Learning for life

January 13<sup>th</sup>, 2026

Dear Parents/Guardians,

I am writing to you on behalf of the Board of Management to inform you that, in the coming weeks, the Board will be carrying out its annual review of the school's Child Safeguarding Statement and associated risk assessments, in line with the requirements of the Child Protection Procedures for Primary and Post-Primary Schools 2017.

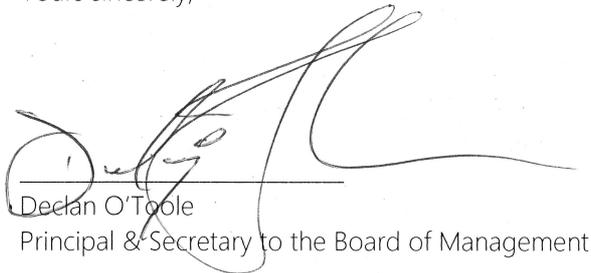

As part of this review process, the Board of Management wishes to provide parents and guardians with an opportunity to offer feedback or observations in relation to the school's compliance with child safeguarding requirements and the effectiveness of the measures currently in place to support the safety and wellbeing of our students.

If you wish to make a submission or provide feedback for the Board's consideration, please do so by email to the school principal [declanotoole@wwetb.ie](mailto:declanotoole@wwetb.ie) no later than 4.00pm on Monday, 19th January, 2026. All feedback received will be considered as part of the formal review process.

Please note that this consultation relates to school policies, procedures and practices, and is not intended for the discussion of individual students or specific incidents.

I would like to thank you, on behalf of the Board of Management, for your continued support and partnership with the school in ensuring the highest standards of child protection and safeguarding for all our students.

Yours sincerely,

Declan O'Toole  
Principal & Secretary to the Board of Management
