Re: Transition Year

Dear Parent / Guardian,

We hope your child is looking forward to the Transition Year Programme in September. They will return to school on Monday 7th September

As indicated at our Senior Options presentation earlier in the year, the fee for Transition Year is €450. This fee covers the €50 School Services Fee, their bonding trip and many of the activities over the course of the year. A list of some of these activities will issue in their return to school letter in September. This fee will be paid through the College's school management system. A letter was previously issued to you in relation to our move from VSWare to Tyro. There will be further communication about fee payment once this move has taken place.

For now, we would like you to note the work experience dates, as many students try to get started on sourcing this over the summer months. Their first week of work experience is **16th November to the 22nd of November 2026** and the second week is **23rd February to the 27th of February 2027**.

Students will have the opportunity to try lots of different subjects over the course of the year and there are a couple of optional subjects available. Can all students click on this link [TY Subject Choices 26](#) and choose their preferred options on the form before Tuesday 2nd June @ 2pm.

We wish them the best of luck in their upcoming exams and look forward to working with them in September.

Regards,

Bridget O'Connor
Transition Year Coordinator

Mary Brown
Transition Year Year Head
