

SCC Locker Use Rules

- ✓ I will only access my locker at the agreed times ie: before 8.42am, at 10.50am-11:00am break, lunchtime (1:31pm-1:41pm) and after school.
- ✓ I will look after my locker and maintain it in good condition.
- ✓ Lockers are for the temporary storage of school supplies and personal items necessary for use at school. Long-term food storage or personalisation of lockers is not permitted.
- ✓ I will ensure that my locker is locked securely at all times. We recommend the Tricircle or Abus brand (38mm) as they fit perfectly
- ✓ I will accept that I will be responsible for any damage I cause to my locker which may include a financial responsibility.
- ✓ I understand and accept that the school may refuse access to my locker should I break the rules.
- ✓ The school authority retains the right to inspect a students' locker and its contents to ensure that the locker is being used in accordance with school rules and policies.

All students will automatically be allocated a locker for 2026/2027. If **your son/daughter has a medical requirement for a particular height locker please supply a medical cert in support of your request and submit it to the College office by Mon 22nd June, 2026 at the latest.** All lockers will be allocated by the end of June so it will be too late to apply in August for a particular height locker.

If the above rules are not adhered to by the student it could result in the locker being withdrawn.
