1 GLOSSARY OF TERMS

‘Applicant’ means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to St Anne’s Community College.

‘Student’ means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply ‘prospective’ as part of the interpretation. That is, the use of the word ‘Student’ does not mean that the application or acceptance of an offer makes him/her a student of St Anne’s Community College; a person is only regarded as a student of St Anne’s Community College once s/he is enrolled on his/her first day of attendance. It does not include a person who was formerly enrolled in the school and was permanently excluded from the school or who left the school after being recommended for expulsion by the Board of Management.

‘Enrolled’ means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

‘Gender’, in line with the definition of “*the gender ground*” in the Equal Status Act 2000, is such that “*one is male and the other is female*”. This does not prejudice and student who is Intersex or identifies as Androgynourany Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

‘Catchment Area’ refers to the designated residential area (determined by the Board of Management of St Anne’s Community College) in respect of the person on whose behalf the application is being made. The Catchment Area for St. Anne’s Community College is defined as the area within 15 km of the school.

‘Parent’ has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

‘Feeder Primary Schools’ refers to the primary schools of preference for

application to St Anne's Community College. The feeder primary schools for St Anne's Community College are:

- 1.1. Ballina Primary School, 2 Grange Road, Ballina, Co Tipperary.
- 1.2. Boher National School, Boher, Killaloe, Co Tipperary.

- 1.8. Raheen Wood Steiner School, Raheen Road, Raheen, Scariff, Co Clare.
- 1.9. Scoil Seanáin Naofa, Clonlara, Co Clare

For the purpose of the selection criterion relating to the student having a sibling who previously attended the school, '**Sibling**' refers to full siblings, half-siblings, foster- siblings and step-siblings.

For the purpose of the selection criterion relating to the student having a sibling currently enrolled in the school, '**Sibling**' refers to full siblings, half-siblings, foster-siblings, step- siblings and students who reside in the same household.

[Note: the wider definition of sibling in the second of the two paragraphs immediately above is for the purpose of facilitating families who are required to do more than one drop-off and/or collection to/from the school.]

'First-Year' means the intake group of Students for the most junior class or year in a school

‘Special Class’ means a class that has, with the approval of the Minister of Education, been established by a school to provide an education exclusively for Students with a category or categories of special educational needs specified by the Minister of Education. St. Anne’s has 2 Special Classes, established to cater for special educational needs of students with Autism/Autistic Spectrum Disorders.

‘Relevant Report’, as advised by the Department of Education and the National Council for Special Education (NCSE), means a written report, based on an assessment by a relevant professional, which:

- (a) provides detailed evidence of the Student’s needs.
- (b) confirms that those needs constitute complex/severe educational needs which arise from the named diagnosis relating to the Student, and
- (c) makes a recommendation for a Special Class placement for the Student on the basis of his/her complex/severe educational needs arising from said diagnosis.

The relevant professional may include an educational psychologist, psychologist, other relevant health professionals, HSE disability services or HSE multi-disciplinary team staff, in line with guidance issued by the NCSE on this point.

2 Admission Statement

Definition of a 'Multidenominational School' in a Designated Community College.

St Anne's Community College is a designated Community College. Designated Community Colleges are established by the signing of a model agreement between an ETB and the local Catholic Bishop and/or a religious congregation. LCETB is the patron of the school. The model agreement provides for the participation of the Bishop of Killaloe Diocese in the organisation and management of the community college on an ongoing basis. St Anne's Community College was established in 1987 in a spirit of partnership between Clare VEC (subsequently amalgamated with Limerick city and county VECs to form LCETB) and the Bishop of Killaloe. The school in Clarisford replaced St Anne's Secondary School on Convent Hill, where the Mercy sisters had been providing Secondary education since 1945. The inherited traditions, values and founding intentions of LCETB and the Bishop of Killaloe remain enshrined in the characteristic spirit and in the life of our school.

Our school is a state, co-educational, multidenominational schools underpinned by the core values of:

- Excellence in Education
- Care
- Equality
- Community and
- Respect

All members of our school community are treated equally, regardless of their race, gender, religion/belief, age, family status, marital status, membership of the Traveller community, sexual orientation, ability or socio-economic status. In our school all students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018). Once enrolled, our school strives to provide all our students with equal opportunities to engage with the curriculum and school life.

St Anne's Community College provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

Our school is multi-denominational. We welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school.

St Anne's Community College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender;
- 2.2. Civil status of the Student or Applicant;
- 2.3. Family status of the Student or Applicant;
- 2.4. Sexual orientation of the Student or Applicant;
- 2.5. Religion of the Student or Applicant;
- 2.6. Disability of the Student or Applicant;
- 2.7. Race of the Student or Applicant;
- 2.8. The Student's or Applicant's membership of the Traveller community;
- 2.9. Special educational needs of the Student or Applicant. [However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).

St Anne's Community College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a student.

3 LEGAL FRAMEWORK

Limerick and Clare Education and Training Board was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of St Anne's Community College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First- Year Group.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

St Anne's Community College offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and the model agreement. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, religious education supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

It is important to understand that our school does not provide ‘religious instruction’ and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in this school. It is also important to understand the distinction between ‘religious instruction’ and religious education’.

Religious instruction is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Religious education is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are ‘multi-denominational’, St Anne’s Community College supports the provision of religious education that caters for all students regardless of their religious or non-religious beliefs.

However, if there is a request to opt-out of the NCCA Religious Education course, the Parent/Student over 18 must make a written request to the Principal in the first instance. The request should outline the reasons that s/he is seeking to opt-out. The Principal will then arrange a meeting to discuss the request. If after that meeting the parent/student over 18 still wishes to opt-out of the subject, the school will facilitate this in the following way” (as per s.62(7)(n) of the Education Act 1998, the school day cannot be shortened for the student as a result of opting out of religious instruction):

We do not have the resources to offer any alternative tuition during a scheduled Religious Education class, therefore the student may remain in the classroom under the supervision of the subject teacher and do school work quietly. Alternatively, the parent/guardian may remove the student from the school premises for the duration of the class.

St Anne’s Community College will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of Special Classes.

St Anne’s Community College will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

A student applying for the First-Year Group but seeking admission to the Special Class should see section 7 of this Admission Policy. If the student is also applying for a place in the mainstream First-Year Group in the event of an unsuccessful application to the Special Class, this section 5 is also applicable.

Incomplete applications received by the school will not be processed under this policy.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where St Anne's Community College is in a position to offer furtherschool places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

5.1.2 Selection criteria in order of priority

St Anne's Community College will apply the following criteria for admission to the First- Year Group:

- 5.1.2.1 If the Student will have attained 12 years of age by 31st January of the academic year to which s/he is applying to be enrolled in First Year, after having completed sixth class (or equivalent) in primary school (and resides in the Catchment Area);

- 5.1.2.6 If the Student is attending one of the feeder primary schools listed 1.1 to 1.9 and has been enrolled there for at least one full academic year.

5.1.3 Selection process

St. Anne's Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, St. Anne's Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

5.1.4 Late applications

An application received by St Anne's Community College after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where the relevant year group is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where the relevant year group is not oversubscribed, i.e. there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to section 4.7 and 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

5.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within St Anne's Community College but does not accept the offer or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

5.1.6 Acceptance of a place

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

- 5.1.7.3. Details of the Student's place on the waiting list, if applicable; and
- 5.1.7.4. Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8, an offer of admission may not be made where:

- 5.1.7.5. The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 5.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 5.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing stanneskillaloe@lcebtb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education and Skills under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

5.3.3 Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

6.4 Repeating a Year

6.1 ADMISSION PROVISIONS (OTHER THAN FIRST-YEAR)

In the event that St Anne's Community College is not oversubscribed, all Students will be offered a school place, subject to sections 4.7 and 4.8.

A student applying for admission to a year group other than First-Year but seeking admission to the Special Class should see section 7 of this Admission Policy. If the student is also applying for a place in the mainstream year group other than First-Year in the event of an unsuccessful application to the Special Class, this section 6 is also applicable.

Incomplete applications received by the school will not be processed under this policy.

6.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 6.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where St Anne's Community College is in a position to offer furtherschool places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provision of section 7.1.1. regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all years other than the First-Year Group.

Where the application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

Where the Transition Year Programme in St Anne's Community College is oversubscribed, a Student applying for admission to this programme in the relevant year group, will, subject to this policy, be placed on the appropriate waiting list already compiled (annually) by the school, which list will contain the names of the students enrolled in the school who have been placed on an internal waiting list for this programme.

6.1.2 Selection criteria in order of priority

St Anne's Community College will apply the following criteria for admission to a year- group other than First-Year:

- 6.1.2.1 If the student has siblings currently enrolled in the school and resides in the Catchment Area;
- 6.1.2.2 If the student resides in the Catchment Area;
- 6.1.2.3 If the Student has siblings who were previously enrolled in the school;
- 6.1.2.4 If a parent/guardian of the Student is a member of staff of the school;
- 6.1.2.5 If the Student had a parent or grandparent who previously attended the school (to a maximum of 25% of the places available);

Note: See section 7 for selection criteria applicable to admission to the Special Class.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an Applicant is admitted.

6.1.3 Selection process

St Anne's Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the relevant year group still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the relevant year group. This process is continuously carried out against all selection criteria until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, St Anne's Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.

6.1.4 Late applications:

An application received by St Anne's Community College after the closing date published by St Anne's Community College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where the relevant year group is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school subject to sections 4.7 and 4.8.

For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where St Anne's Community College is not oversubscribed *i.e.* there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place within the relevant year group, subject to sections 4.7 and 4.8, and the same process as applies to Applicants whose applications were received before the closing date will be applied, *i.e.* an acceptance form will be issued to the Applicant for completion and returned to the school within 2 weeks of issue.

6.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within St Anne's Community College but does not accept the offer or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the relevant year group have been filled.

6.1.6 Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

6.1.7 Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 6.1.7.1. The reasons that the Student was not offered a place in St Anne's Community College,
- 6.1.7.2 Details of the Student's ranking against the published selection criteria, if the year group to which the Applicant is applying is oversubscribed,
- 6.1.7.3 Details of the Student's place on the waiting list, if applicable, and
- 6.1.7.4 Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8, an offer of admission may not be made where:

- 6.1.7.5 The information contained in the application is false or misleading in a material respect.

6.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 6.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 6.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 6.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s); and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 6.1.4 above.

6.1.9 Appeals:

For information relating to an Applicant's right to appeal a decision of St Anne's Community College regarding admission to a year-group other than First-Year, see section 6.3.

6.2 Appeals

6.2.1 **Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of St Anne's Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing stanneskillaloe@lcebtb.ie

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-appeal-if-a-child-has-been-refused-admission-because-the-school-is-full> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal, whichever is earlier, and the appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

6.3.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to St Anne's Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of St Anne's Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing stanneskillaloe@lctb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education and under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who chooses to appeal to the board of management is not satisfied with the decision of the board of management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education and Skills under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph

6.2.2 Basis for a review by the board of management:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

6.3 TRANSITION YEAR (TY)

**Transition Year is not compulsory at St. Anne's Community College.
The application process is as follows-**

- An information evening for third year students and their parents/ guardians is held in the second term.
- Transition Year (TY) application forms will be available on the school website www.killaloecc.ie and must be submitted electronically as instructed.
- A closing date will be indicated on the application form and late applications may not be considered.
- Acceptance of the application form does not confirm or imply an expectation of a place on the programme. Factors such as attendance record and adherence to the Code of Behaviour may in the opinion of senior management in consultation with the Year Head and the TY coordinator deem TY to be unsuitable for a student. For acceptance on to the TY programme the school must be of the opinion that a student is capable of benefitting from participation in TY and equally that his/her participation will not prevent any other student(s) from benefitting from TY. The final decision rests with the Principal.
- A student may be accepted into TY under strict conditions having signed a contract of behaviour. Failure to comply with the conditions may result in the student losing his/her TY place.
- External applications will only be considered after the closing date for applications from third year students attending the school and only if places are still available.
- The number of students that can be accommodated and the number of classes that can be formed is determined by available resources.

- Where the number of applicants exceeds the number of places available the following criteria may be used to allocate places in the TY programme-
 - a. The reasons given by the student for wanting to do TY on the application form
 - b. The student's adherence, as a Junior student to the Code of behaviour, school records may be referred to and staff consulted as needed.
 - c. Attendance record
 - d. The student's age
 - e. Pastoral needs as communicated by the Year Head, Guidance Counsellor, Chaplain and/ or other professionals in the school
 - f. Case made at an interview
 - g. All things being equal initially or at a later stage in the process, a lottery system may be used.
- Successful applicants will be required to pay a fee to cover the additional expenses arising from their participation in the programme. TY students are expected to organise their own work placements with the assistance of the Transition Year Coordinator.
- Candidates must be willing to participate in all elements of the TY Programme both school based and external. Failure to do so may result in the student losing his/her TY place.
 (* St Anne's Community College TY Policy applies to all TY related issues and is available at www.killaloecc.ie)

6.4 PUPILS WISHING TO REPEAT A YEAR

Consideration will only be given to pupils wishing to repeat a year in exceptional circumstances and for reasons acceptable to the Department of Education and Skills set out in circular letters M57/87, M33/89, M47/93 and M02/95.

SECTION 7

Application to the Special Class

7 APPLICATION TO THE SPECIAL CLASS

7.1 Admission Provisions for the Special Classes

- 7.1.1. Oversubscription
- 7.1.2. Selection criteria in order of priority
- 7.1.3. Selection process
- 7.1.4. Late Applications
- 7.1.5. Second/third-round offers of a place
- 7.1.6. Acceptance of a place
- 7.1.7. Refusal
- 7.1.8. Withdrawal of an offer

7.2 Appeals

- 7.2.1. Appeal where refusal was due to oversubscription
- 7.2.2. Appeal where refusal was for a reason other than oversubscription
- 7.2.3. Basis for appeal

7.1 ADMISSION PROVISIONS FOR THE SPECIAL CLASSES

St. Anne's Community College has two Special Classes, established to provide education to Students with severe/complex educational needs arising from Autism/Autism Spectrum Disorders, Moderate General Learning Disability, Mild General Learning Disability, Severe Profound General Learning Disabilities, Specific Speech and Language Disorder, Hearing Impairment, Emotional Disturbance.

Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the Special Class will be considered. In this respect, the school requires that such severe/complex educational needs and the related diagnosis of the Student be evidenced and verified in a Relevant Report, the mandatory elements of which are set out in the Glossary of Terms section, and which has been prepared within the 24 months immediately preceding the Student's application to the Special Class, unless the application is for First Year and the Student is already enrolled in a Special Class in primary school at the time of application, in which case the Relevant Report does not need to be dated within 24 months of the application. The school also requires documentation from the NCSE (National Council for Special Education) confirming that the Student is known to the NCSE and has the required diagnosis and recommendation for a special class, in addition to a Relevant Report.

In the event that the Special Class in St. Anne's Community College is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class will be offered a place in the Special Class, subject to sections 4.7 and 4.8.

In line with section 4.9, where the Special Class in St. Anne's Community College is not oversubscribed, all Children whose needs fall within the category of special educational needs provided for by the Special Class and who submit the requisite Relevant Report together with the documentation from the NCSE, will be offered a place in the Special Class, subject to sections 4.7 and 4.8.

Incomplete applications received by the school will not be processed under this policy.

7.1.1 Oversubscription:

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where St. Anne's Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list subject to there being a place in the relevant mainstream year group. If there is not a place available in the relevant year group, the next person on the waiting list for the Special Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the Special Class for the remainder of that school year, *i.e.* if another place subsequently became available in the Special Class during that school year, the initial Student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant year group for that Student.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the Special Class shall be reviewed and if there is a place available in the Special Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in the given mainstream year group, that Student will be offered the place in the Special Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the Special Class are never under-utilised.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

For the avoidance of doubt, if a Student does not receive a place in the Special Class for a given academic year, but s/he wishes to be considered for admission to Special Class in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications for the Special Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

7.1.2 Selection criteria in order of priority:

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

- 7.1.2.1 The greatest level of need, as determined by the Principal in consultation with the SEN team in the school, having considered the Relevant Report in respect of the Child; If two or more Students are tied on this criterion then the next selection criteria in the list will be applied to those students to determine the order of priority of those students.
- 7.1.2.2 A student already enrolled in the school receives a place in the Special Class.
- 7.1.2.3 If the Student will have attained at least 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in the school (and resides in the catchment area);
- 7.1.2.4 If a student resides in the catchment area;
- 7.1.2.5 If the student has siblings currently enrolled in the school;
- 7.1.2.6 If the student has siblings who were previously enrolled in the school;
- 7.1.2.7 If the child has a parent/guardian who is a member of staff in St Anne's Community College;
- 7.1.2.8 If the student is attending one of the feeder primary schools listed 1.1 to 1.9;
- 7.1.2.9 If the student has just moved in to the Catchment Area.

7.1.3 Selection process:

St. Anne's Community College will apply the selection process as follows:

[Having met the criteria for admission to the Special Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the Special Class still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the Special Class. This process is

continuously carried out against all selection criteria until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, St. Anne's Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.¹

7.1.4 Late applications:

An application received by after St. Anne's Community College the closing date published by St. Anne's Community College, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where the Special Class is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications irrespective of any selection criteria which may have been applied to applications received before the closing for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school, subject to sections 4.7 and 4.8. For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where the Special Class is not oversubscribed, *i.e.* there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place in the Special Class, subject to sections 4.7 and 4.8, and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

¹ This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: "*A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out or the effective provision of education for children with whom the child is to be educated.*"

7.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within the Special Class but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

7.1.6 Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

7.1.7 Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 7.1.7.1 The reasons that the Student was not offered a place in St. Anne's Community College.
- 7.1.7.2 Details of the Student's ranking against the published selection criteria, if the year-group to which the applicant is applying is oversubscribed;
- 7.1.7.3 Details of the Student's place on the waiting list, if applicable; and
- 7.1.7.4 Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at 4.7 and 4.8, an offer of admission may not be made where:

- 7.1.7.5 The information contained in the application is false or misleading in a material respect.

7.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

- 7.1.8.1. The information contained in the application is false or misleading in a material respect, or
- 7.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 7.1.8.3. An Applicant has not indicated:
 - (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 7.1.4 above.

7.2 APPEALS

7.2.1. **Appeal where refusal was due to oversubscription:**

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of St Anne's Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing stanneskillaloe@lcebtb.ie

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education under a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-appeal-if-a-child-has-been-refused-admission-because-the-school-is-full> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal, whichever is earlier, and the appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

7.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to St. Anne's Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may choose to put his/her appeal in writing, via a 'BOMR1 Form', available from the school office and at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management>, for it to be reviewed by the board of management of St Anne's Community College. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing stanneskillaloe@lcebtb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at <https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available> and submitted to the Section 29 Appeals Administration Unit in the Department of Education or the appeal can be submitted online by uploading the required documentation at <https://www.section29appeals.gov.ie/>. As per the Department of Education's '*Procedures for hearing and determining appeals under section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

7.2.3. Basis for appeal:

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.
