'**Student'** means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Coláiste Íde agus Iosef by virtue of application alone.

'Enrolled' means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

'**Gender'**, in line with the definition of "*the gender ground*" in the Equal Status Act 2000, is such that "*one is male and the other is female*". 2 ADMISSION STATEMENT

ETB schools are state, co-educational, multidenominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a 'multidenominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Accordingly, Coláiste Íde agus Iosef shall not discriminate in its admission of a Student based on the following grounds:

2.1. Gender of the Student or Applicant.
2.2. Civil status of the Student or Applicant;

2.3. Family status of the Student or Applicant;

2.4. Sexual orientation of the Student or Applicant;

2.5. Religion of the Student or Applicant;

2.6. Disability of the Student or Applicant;

2.7. Race of the Student or Applicant;

2.8. The Student's or Applicant's membership of the Traveller community;

2.9. Special educational needs of the Student or Applicant. However, where the school provides education exclusively for a category or categories of special educational need(s) in a Special Class, it is not discriminatory to refuse to admit to that class a Student who does not have the specified special educational need(s).

Coláiste Íde agus Iosef will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Coláiste Íde agus Iosef will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.
Coláiste Íde agus Iosef shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

3 LEGAL FRAMEWORK

Limerick and Clare Education and Training Board was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The board of management of Coláiste Íde agus Iosef is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a board of management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in section 5.3 in respect of applications made to the First-Year Group and in section 6.3 in respect of applications made to all years other than the First-Year Group.

Section 62(7)(n) of the Education Act 1998 requires each school to set out in its Admission Policy the arrangements it has in place where a parent, or student over 18 years of age, requests that the student opt-out of religious instruction.

CHARACTERISTIC SPIRIT STATEMENT

ETB schools are state, co-educational, multi-denominational schools underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

As the state provider of education, the ETB sector defines a 'multi-denominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

OPTING-OUT OF RELIGIOUS INSTRUCTION

Coláiste Íde agus Iosef offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks. It facilitates the intellectual, social,

emotional, spiritual, values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students in engage with questions around their own religious or non-religious beliefs and those of their peers.

If considering opting out of '*religious instruction'*, it is important to understand that our school does not provide '*religious instruction'* and therefore the need to opt-out does not arise in this school.

It is important to understand the distinction between *'religious instruction'* and r*eligious education'*:

- *Religious instruction* is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition. Religious Instruction may be provided in a denominational school setting.
- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are 'multi-denominational', Coláiste Íde agus Iosef supports the provision of *religious education* that caters for all students regardless of their religious or non-religious beliefs and therefore does not provide *religious instruction* in one particular religion or belief.

However, as per Section 30(2)(e) of the Education Act (1998), Coláiste Íde agus Iosef recognises the right of parents, or students over the age of 18, attending publicly-funded schools to withdraw from any subject contrary to their conscience, including *religious education.*

Parents or students over the age of 18 who wish to opt-out of *religious education* must make a written submission to the principal in the first instance. The submission should outline reasons why the opt-out is being requested. The principal will then arrange to meet with the parent(s) or student over the age of 18 to discuss the request. If after that meeting the parent or student over the age of 18 still wishes to opt out of *religious education*, the school will facilitate this in the following way:

Please note as per Section 62(7)(n) of the Education (Admissions to Schools) Act 2018, the school day cannot be shortened for the student as a result of a request for opting out of religious education.

4 GENERAL ADMISSION PROVISIONS

A decision on an application for admission shall be based on:

4.6 The date and time on which an application for admission was received by the school as long as it is received during the period specified for receiving applications set out in the annual Admission Notice for that academic year.

4.7 The Parent fails to confirm in writing that s/he accepts the Student Code of Behaviour and he/she shall make all reasonable efforts to ensure compliance with such code by the Student;

4.8 The Student seeking admission to a Special Class in the school does not have the category of special educational needs specified by the Minister of Education and Youth in respect of that class.

Where Coláiste Íde agus Iosef considers an application, each Student shall receive a place, unless the school is oversubscribed, in which case, selection criteria will be applied to each application.

A Student applying for the First Year Group but seeking admission to the Special Class should see section 7 of this Admission Policy.

5.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Coláiste Íde agus Iosef is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all year groups other than First-Year.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

5.1.2 Selection criteria in order of priority

Coláiste Íde agus Iosef will apply the following criteria for admission to the First-Year Group:

5.1.2.1 Whether the Student, at the time of application, is attending one of the Feeder Primary Schools and has been enrolled there for at least one full academic year; and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in First Year, after having completed sixth class in primary school (or equivalent);

5.1.2.3 If the Student resides in the Catchment Area and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in First Year, after having completed sixth class in primary school (or equivalent);

5.1.2.4 If the Student has siblings who were previously enrolled in the school and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in First Year, after having completed sixth class in primary school (or equivalent);

Note: See section 7 for selection criteria applicable to admission to the Special Class.

5.1.3 Selection process

Coláiste Íde agus Iosef will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the

school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Coláiste Íde agus Iosef will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

5.1.4 Late applications

An application received by Coláiste Íde agus Iosef after the closing date published by the school, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Coláiste Íde agus Iosef is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Coláiste Íde agus Iosef is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within the school, subject to sections 4.7, 4.8 and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school by the date stated for same in the letter offering the place.

5.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Coláiste Íde agus Iosef but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

5.1.6 Acceptance of a place

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School's Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School's Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

When inputting the Student's data on PPOD (Post-Primary Online Database hosted by the Department of Education and Youth) if it comes to Coláiste Íde agus Iosef's attention that the Student is enrolled in more than one school, it will be necessary for Coláiste Íde agus Iosef to contact the conflicting school to resolve the conflict. If the Student is to be attending Coláiste Íde agus Iosef, no further action is required by Coláiste Íde agus Iosef.

5.1.7 Refusal

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

5.1.7.1. The reasons that the Student was not offered a place in Coláiste Íde agus Iosef;

5.1.7.2. Details of the Student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed;

5.1.7.3. Details of the Student's place on the waiting list, if applicable; and

5.1.7.4. Details of the Applicant's right to appeal the decision.

5.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

5.1.8.1. The information contained in the application is false or misleading in a material respect, or

5.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, by the date stated for same in the letter offering the place, or

5.1.8.3. An Applicant has not indicated:

(i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and

(ii) whether or not or s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

5.1.8.4. It is confirmed that the Student will be attending the conflicting school following it coming to Coláiste Íde agus Iosef's attention on PPOD that the Student is enrolled in more than one school.

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

5.1.9 Appeals

For information relating to an Applicant's right to appeal a decision of Coláiste Íde agus Iosef regarding admission to the First-Year Group, see section 5.3.

5.2. ADMISSION TO THE AONAD LÁN GAEILGE

Coláiste Íde agus Iosef does not operate an Aonad Lán Gaeilge, consequently the following section does not apply.

5.3. APPEALS

5.3.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must submit his/her appeal in writing, via a Section 29 Appeal Application Form, available from the school office and on the school's website, for it to be reviewed by the board of management of Coláiste Íde agus Iosef at Convent Street, Abbeyfeale, Co. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Youth after the publication of this policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing colaisteideagusiosef@lcetb.ie. 5.3.3. Basis for a review by the board of management

As required by section 29C(2) of the Education Act 1998, any request for the board of management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to review the decision.

6.3.2. Appeal where refusal was for a reason other than oversubscription
6.3.3. Basis for appeal

6.1 ADMISSION PROVISIONS (OTHER THAN FIRST-YEAR)

In the event that Coláiste Íde agus Iosef is not oversubscribed, all Students will be offered a school place, subject to sections 4.7, 4.8.

A Student applying for admission to a year group other than First-Year but seeking admission to the Special Class should see section 7 of this Admission Policy. If the Student is also applying for a place in the mainstream year group other than First-Year in the event of an unsuccessful application to the Special Class, this section 6 is also applicable.

Incomplete applications received by the school will not be processed under this policy.

6.1.1 Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 6.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Coláiste Íde agus Iosef is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list, subject to the provisions of section 7.1.1 regarding the Special Class.

For the avoidance of doubt, if a Student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all years other than the First Year Group.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

Where the Transition Year Programme and/or Leaving Certificate Applied Programme in Coláiste Íde agus Iosef is/are oversubscribed, a Student applying for admission to such programm(es) in the relevant year group, will, subject to this policy, be placed on the appropriate waiting list already compiled (annually) by the school, which list will contain the names of students enrolled in the school who have been placed on an internal waiting list for this/these programm(es).

6.1.2 Selection criteria in order of priority

Coláiste Íde agus Iosef will apply the following criteria for admission to a year-group other than First-Year:

6.1.2.1 Whether the Student attended one of the feeder primary schools.
6.1.2.2 If the Student resides in the Catchment Area;
6.1.2.3 If the Student has siblings currently enrolled in the school;
6.1.2.4 If the Student has siblings who were previously enrolled in the school;

See section 7 for selection criteria applicable to admission to the Special Class.

Any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not an Applicant is admitted.

6.1.3 Selection process

Coláiste Íde agus Iosef will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Coláiste Íde agus Iosef will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

6.1.4 Late applications:

An application received by Coláiste Íde agus Iosef after the closing date published by Coláiste Íde agus Iosef, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Coláiste Íde agus Iosef is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

Where Coláiste Íde agus Iosef is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within, subject to sections 4.7, 4.8, and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school by the date stated for same in the letter offering the place.

6.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Coláiste Íde agus Iosef, but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

6.1.6 Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for refusal as set out below.

When inputting the Student's data on PPOD (Post-Primary Online Database hosted by the Department of Education and Youth) if it comes to Coláiste Íde agus Iosef's attention that the Student is enrolled in more than one school, it will be necessary for Coláiste Íde agus Iosef to contact the conflicting school to resolve the conflict. If the Student is to be attending Coláiste Íde agus Iosef, no further action is required by Coláiste Íde agus Iosef.

6.1.7 Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

6.1.7.1. The reasons that the Student was not offered a place in Coláiste Íde agus Iosef,

6.1.7.2. Details of the Student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed,

6.1.7.3. Details of the Student's place on the waiting list, if applicable, and

6.1.7.4. Details of the Applicant's right to appeal the decision.

6.1.7.5.

6.1.8 Withdrawal of an offer

An offer of admission may be withdrawn where:

6.1.8.1. The information contained in the application is false or misleading in a material respect, or

6.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, by the date stated for same in the letter offering the place, or

6.1.8.3. An Applicant has not indicated:

(i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and

(ii) whether or not or s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

6.1.8.4 It is confirmed that the Student will be attending the conflicting school following it coming to Coláiste Íde agus Iosef's attention on PPOD that the Student is enrolled in more than one school.

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 6.1.4 above.

6.1.9 Appeals:

For information relating to an Applicant's right to appeal a decision of Coláiste Íde agus Iosef regarding admission to a year-group other than First-Year, see section 6.3.

6.2 ADMISSION PROVISIONS FOR THE AONAD LÁN GAEILGE (OTHER THAN FIRST-YEAR)

Coláiste Íde agus Iosef does not operate an Aonad Lán Gaeilge, consequently this section is not applicable.

6.3 APPEALS

6.3.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and at https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management, for it to be reviewed by the board of management of Coláiste Íde agus Iosef. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Youth after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing colaisteideagusiosef@lcetb.ie.

6.3.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Coláiste Íde agus Iosef for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and at https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management, for it to be reviewed by the board of management of Coláiste Íde agus Iosef. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

7.1.2. Selection criteria in order of priority

7.1.4. Late Applications

7.2 Appeals

7.2.1. Appeal where refusal was due to oversubscription

7.2.2. Appeal where refusal was for a reason other than oversubscription

7.2.3. Basis for appeal

7.1 ADMISSION PROVISIONS FOR THE SPECIAL CLASSES

Coláiste Íde agus Iosef has Special Classes, established to cater for the special educational needs of Students with Autism/Autistic Spectrum Disorders.

Only applications in respect of Students whose needs fall within the category of special educational needs provided for by the Special Class will be considered. In this respect, the school requires that such severe/complex educational needs and the related diagnosis of the Student be evidenced and verified in a Relevant Report, the mandatory elements of which are set out in the Glossary of Terms section, and which has been prepared within the 24 months immediately preceding the Student's application to the Special Class, unless the application is for First Year and the Student is already enrolled in a Special Class in primary school at the time of application, in which case the Relevant Report does not need to be dated within 24 months of the application. The school also requires documentation from the NCSE (National Council for Special Education) confirming that the Student is known to the NCSE and has the required diagnosis and recommendation for a special class, in addition to a Relevant Report.

In the event that the Special Class in Coláiste Íde agus Iosef' is not oversubscribed, all Students whose needs fall within the category of special educational needs provided for by the Special Class and who submit the requisite Relevant Report together with the documentation from the NCSE, will be offered a place in the Special Class, subject to sections 4.7, 4.8.

Incomplete applications received by the school will not be processed under this policy.

7.1.1 **Oversubscription:**

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 7.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Coláiste Íde agus Iosef is in a position to offer further places that become available in the Special Class for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the

waiting list subject to there being a place in the relevant mainstream year group. If there is not a place available in the relevant year group, the next person on the waiting list for the Special Class will be considered for the place in question but this will not change the initial Student's place on the waiting list for the Special Class for the remainder of that school year, *i.e.* if another place subsequently became available in the Special Class during that school year, the initial Student at the top of the waiting list would be considered first, but again subject to there being a place in the relevant year group for that Student.

For clarity, if a place becomes available in a given mainstream class group, before that place is offered to a Student on the waiting list for that mainstream year group, the waiting list for the Special Class shall be reviewed and if there is a place available in the Special Class and there is a Student on the waiting list who would be able to take-up the place due to the available place in the given mainstream year group, that Student will be offered the place in the Special Class (thereby removing the place in the mainstream year group). This is in the interest of ensuring that the scarce resources of the Special Class are never under-utilised.

Where an application is made on behalf of a Student for both the Special Class and a mainstream year group, and his/her application for one but not both is successful, s/he will remain in the same position on the waiting list for the group to which s/he was not successful, regardless of whether the Applicant accepts the place in the group to which the Student was successful.

For the avoidance of doubt, if a Student does not receive a place in the Special Class for a given academic year, but s/he wishes to be considered for admission to Special Class in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications for the Special Class.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

7.1.2 Selection criteria in order of priority:

Applications to the Special Class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. Subject to this requirement, in the event of oversubscription, the following criteria for admission to the Special Class will apply:

7.1.2.1 The greatest level of need, as determined by the Principal in consultation with the SEN team in the school, having considered the Relevant Report in respect of the Child and the Student will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in the Special Class; If two or more Students are tied on this criterion then the next selection criteria in the list will be applied to those students to determine the order of priority of those students.

7.1.2.2 If the Student has siblings currently enrolled in the school [and resides in the Catchment Area] and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in the Special Class,;

7.1.2.3 If the Student resides in the Catchment Area and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in the Special Class

7.1.2.4 If a parent/guardian of the Student is a member of staff of the school and will have attained 12 years of age by the 31st January of the academic year to which s/he is applying to be enrolled in the Special Class.

7.1.3 Selection process:

Coláiste Íde agus Iosef will apply the selection process as follows:

Having met the criteria for admission to the Special Class, applications are considered against the published selection criteria. Places will be offered in the first instance to those

who meet the first criterion. Subsequently, where the school still has places available the remaining Applicants are considered against the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Coláiste Íde agus Iosef will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

N.B. The number of places available in a year group is subject to reduction in the event that a placement(s) in the Special Class is/are given to Student(s) from that year group, i.e. the selection process for the Special Class will be completed before the selection process for the mainstream year group and the number of Students who are offered a place in the Special Class will be the number by which the places in the relevant mainstream year group(s) are reduced.[1]

7.1.4 Late applications:

An application received by Coláiste Íde agus Iosef after the closing date published by Coláiste Íde agus Iosef, and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Coláiste Íde agus Iosef is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school and subsequently the school's selection criteria will be applied in accordance with this Admission Policy.

[1] This approach is based on section 2 of the Education for Persons with Special Educational Needs (EPSEN) Act 2004, which requires that: "*A child with special educational needs shall be educated in an inclusive environment with children who do not have such needs unless the nature or degree of those needs of the child is such that to do so would be inconsistent with the best interests of the child as determined in accordance with any assessment carried out …. or the effective provision of education for children with whom the child is to be educated.*"

For the avoidance of doubt, selection criteria are not relevant to, and will not be applied to, late applications.

Where the Special Class is not oversubscribed, *i.e.* there is no waiting list, and it receives a late application, the Student seeking admission will receive an offer of a place in the Special Class, subject to sections 4.7, 4.8. and the same process as applies to Applicants whose applications were received before the closing date will be applied *i.e.* an Acceptance Form will be issued to the Applicant for completion and return to the school by the date stated for same in the letter offering the place.

7.1.5 Second/third-round offers of a place

Where a Student is in receipt of an offer of a place within Coláiste Íde agus Iosef but does not accept the offer, or fails to accept within the specified time period, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next Student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds *etc.* until all places within the school have been filled.

7.1.6 Acceptance of a place:

If the Student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school.

The Applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the school's Admission Notice, or by the date stated for same in the letter offering the place if it is a late application or if it is a second/third-round offer, may result in withdrawal of an offer, in line with the grounds for withdrawal of an offer, as set out below.

When inputting the student's data on PPOD (Post-Primary Online Database hosted by the Department of Education and Youth) if it comes to Coláiste Íde agus Iosef's attention that the Student is enrolled in more than one school, it will be necessary for Coláiste Íde agus Iosef to contact the conflicting school to resolve the conflict. If the Student is to be attending Coláiste Íde agus Iosef, no further action is required by Coláiste Íde agus Iosef.

7.1.7 **Refusal:**

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

7.1.7.1 The reasons that the Student was not offered a place in Coláiste Íde agus Iosef;

7.1.7.2 Details of the Student's ranking against the published selection criteria, if the year-group to which the applicant is applying is oversubscribed;

7.1.7.3 Details of the Student's place on the waiting list, if applicable; and

7.1.7.4 Details of the Applicant's right to appeal the decision

In addition to the conditions for consideration of an application as set out at 4.7, 4.8 an offer of admission may not be made where:

7.1.7.5 The information contained in the application is false or misleading in a material respect.

7.1.8 **Withdrawal of an offer**

An offer of admission may be withdrawn where:

7.1.8.1. The information contained in the application is false or misleading in a material respect, or

7.1.8.2. The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the school for the academic year for which s/he is applying, or in the case of a late

application, or second/third-round offer, by the date stated for same in the letter offering the place, or

7.1.8.3. An Applicant has not indicated:

(i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
and

(ii) whether or not or s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

7.1.8.4 It is confirmed that the Student will be attending the conflicting school following it coming to Coláiste Íde agus Iosef's attention on PPOD that the Student is enrolled in more than one school.

If an offer of a place is withdrawn by the school, the Student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 7.1.4 above.

7.2 APPEALS

7.2.1. Appeal where refusal was due to oversubscription:

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the board of management in writing, via a 'BOMR1 Form', available from the school office and at https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management, for it to be reviewed by the board of management of Coláiste Íde agus Iosef. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Youth after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing colaisteideagusiosef@lcetb.ie.

If an Applicant is not satisfied with the decision of the board of management, or the board of management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education and Youth under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at https://www.gov.ie/en/publication/8248c-appeals-in-relation-to-refusal-to-admit-a-student-due-to-a-school-being-oversubscribed/#how-to-appeal-if-a-child-has-been-refused-admission-because-the-school-is-full and submitted to the Section 29 Appeals Administration Unit in the Department of Education and Youth or the appeal can be submitted online by uploading the required documentation at https://www.section29appeals.gov.ie/.As per the Department of Education and Youth's '*Procedures for hearing and determining appeals under section 29*', such an appeal must not be brought until the Applicant has received correspondence from the board of management in relation to the review, or until 42 calendar days have passed since the date of initial refusal, whichever is earlier, and the appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

7.2.2. Appeal where refusal was for a reason other than oversubscription:

An Applicant who was refused admission to Coláiste Íde agus Iosef for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the board of management, via a 'BOMR1 Form', available from the school office and at https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-seek-a-review-by-the-board-of-management, for it to be reviewed by the board of management of Coláiste Íde agus Iosef. Such a review must be sought by the Applicant within twenty-one calendar days of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Youth after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing colaisteideagusiosef@lcetb.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the board of management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an Appeals Committee established by the Minister for Education and Youth under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form', available at https://www.gov.ie/en/publication/31c4f-appeals-in-relation-to-refusal-to-admit-a-student-for-a-reason-other-than-the-school-being-oversubscribed/#how-to-appeal-if-my-child-has-been-refused-admission-and-the-school-has-places-available and submitted to the Section 29 Appeals Administration Unit in the Department of Education and Youth or the appeal can be submitted online by uploading the required documentation at https://www.section29appeals.gov.ie/. As per the Department of Education and Youth's '*Procedures for hearing and determining appeals under section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review by the board of management is not satisfied with the decision of the board of management, that Applicant may also apply to bring an appeal to an Appeals Committee established by the Minister for Education and Youth under section 29A of the Education Act 1998, as outlined in the immediately preceding paragraph.

7.2.3. Basis for appeal:

As required by section 29C(2) of the Education Act 1998, an application to appeal must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.
