Full Device Set-Up and Security for 2 Years

To ensure that your child's device is secured for educational use only, our technology team at Wriggle put your child's device through a 77-step process to make sure that:

- The device is set up with a device management profile so that it can only be used for educational purposes
- The device is configured correctly for school and overseen by our dedicated Apple, Microsoft and Google engineers
- School specific device restrictions are applied to the device to adhere to school policy
- Your device is set up with all the apps you need for school preloaded to your device
- Device safety management is in place for 2 years
- New school apps and updates are automatically pushed to your device for a full 2 years
