SUBJECT: Important Reminder: Deadline for Completion of Laptop Orders Approaching

Dear Parent/Guardian,

This is an important reminder that the deadline for ordering student devices for **2026/2027** is **30th June 2026**.

To ensure devices are ready for the beginning of the new school year, all orders must be completed and paid in full by this date. We strongly encourage families who have not yet placed their order to do so as soon as possible ahead of the deadline.

As part of our continued commitment to supporting digital learning, students in **2nd and 5th Year** are encouraged to have access to their own laptop device from our chosen provider, Olive for Education, for the upcoming academic year. As per our Acceptable Use Policy, students can only use Olive for Education devices or Assistive Technology devices that have been purchased through KCETB. No personal device can be used by students in school.

 Orders can be placed at **store.oliveforeducation.ie** using our school roll number: 706401

 **Final Order Deadline: 30th June 2026**

If you have already completed your order, please disregard this message and thank you for your prompt action.

If you have any questions regarding the ordering process, please don't hesitate to get in touch with us or Olive Support at Support@oliveforeducation.ie.

Kind Regards,

Sharon Coffey

Principal, Grennan College
