

Sample Revision Tasks

Retrieval Practice

Retrieval Practice: Know It All Sheet

Task: Pick three topics from a chapter and write as much as you can on each

Topic 1: _____

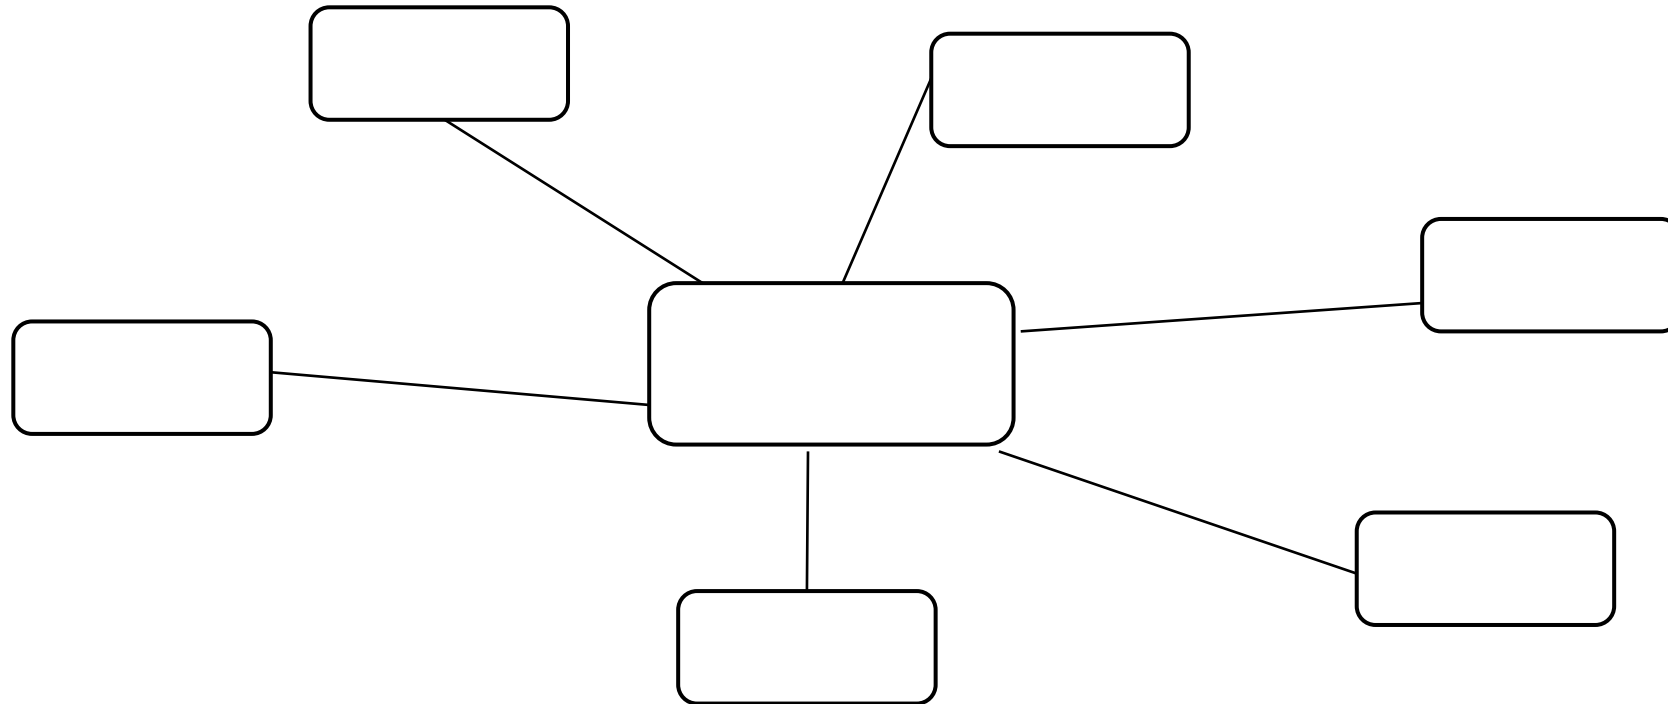

Topic 2: _____

Topic 3: _____

Mind Map:

Task: Write down subheadings for your topic and summarise the information under each heading

Retrieval Practice: What's the Keyword?

Task: Write the keywords and test yourself to answer the definitions

Keyword	Definition
1.	
2.	
3.	
4.	
5.	
6.	
7.	

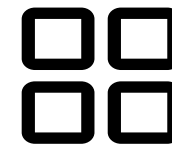

Retrieval Practice

Create five questions on your topic, come back later and see if you can answer them

1. _____
2. _____
3. _____
4. _____
5. _____

Retrieval Practice: Challenge Grid

Task : Create questions for this grid and answer in your next study session.
Note to include questions from last lesson, last week, two weeks ago and last year. You get more points for the topics we learned longer ago!

One point - Last lesson	Two points - Last week	Three Points - two weeks ago	Four points - Last year
-------------------------	------------------------	------------------------------	-------------------------

Flashcards

1. Get a small piece of paper/card and a pen.
2. Write the topic, question or prompt on the front.
3. At the back, write in an explanation or answer.
4. Test yourself by first reading the front, then tell yourself the answer without looking at the back.
5. After attempting a complete answer check the back to verify your answer.
