4th February 2026

Dear Parent/Guardian,

Through the incredible fundraising efforts of our 6th Year student Conor Haley, along with his family and friends, they are now in a position to offer **free cardiac screening to our senior hurling and camogie players.**

This initiative has been made possible in partnership with the [Dillon Quirke Foundation](#), whose mission is to promote cardiac screening for young people involved in sport. Thanks to Conor's dedication and the generosity of all who supported his fundraising, there will be **no cost for participating students.**

The cardiac screenings will take place in **Abbey Community College on Thursday 9th April and Friday 10th April.** If you wish for your child to avail of this service, please click the link below to book their appointment as soon as possible.

[Click here to book appointment](#)

Further details on cardiac sports screening and the process, including FAQs can be found [here](#).

We greatly appreciate the dedication shown by Conor and his family in providing this opportunity, which contributes meaningfully to student health and wellbeing.

Yours sincerely,

Michelle Jefford

Principal
