FREE Studyclix COMPLETE Account Access for 3rd, 5th and 6th Year Students

A chara,

We are excited to inform you that we have now secured the **Studyclix SCHOOL COMPLETE PACKAGE** for all 3rd, 5th and 6th year students in Abbey Community College for the remainder of the school year **at no cost to the student and their families.**

Studyclix.ie is Ireland's most popular study website and helps students revise using questions, videos, notes and quizzes. **Students now have access to all content on Studyclix.ie** including the following:

- All past mock papers and questions per topic
- All available Boost video tutorials
- Examiner-annotated sample answers
- Fully worked solution videos
- Topic-specific quizzes and flashcards.

We believe this access will compliment the excellent learning and teaching taking place in Abbey Community College each day and will assist our students in their studies outside of the classroom setting.

All 3rd, 5th and 6th year students have been informed of this today via their *Year Group Teams*. This is a valuable tool and we would ask that you encourage your child to log in and access this content this evening.

More information including a video overview of the features available can be found [here](#).

Yours sincerely,

Michelle Jefford
