Employers & Public Liability

The limit of indemnity under the Employers Liability section is €33 Million any one accident whilst the Public Liability section has a limit of €30 Million any one accident. The policy covers the legal liability of the Board of Management and the school arising from or connected with a School Related Activity subject always to the terms conditions and exclusions of the Custodian Schools Protection Policy.

The policy also extends to cover the legal liability of the Board of Management or School arising from or in any way associated with any Work Experience Schemes organised by the school or in which they participate.
