Week Beginning Monday 8th December 2025

Work Experience Forms	<p>Ms.Codd will meet students individually this week to discuss their previous work experience and the employer feedback form.</p> <p>The next block of TY work experience will take place on: Tuesday 3rd – Thursday 6th February Monday 9th – Friday 13th February</p> <p>To get the most value from the TY work experience programme, students are strongly encouraged to secure two different work placements across these weeks.</p> <p>All work experience forms for the February block must be submitted by 16th January. Forms are available on the TY notice board.</p> <p>Garda Vetting for Work Experience Students should be aware that Garda Vetting is required if they are working with children, vulnerable people or in certain public settings during work experience. Students must be over 16 years of age to apply for Garda Vetting and the process can take a few weeks, so once students turn 16, they are encouraged to apply as soon as possible. It is the responsibility of the employer to process the Garda Vetting application, but students should always ask about Garda Vetting when arranging a work experience placement. Being prepared in advance will help avoid delays and ensure that students are eligible to take up their chosen placement.</p>
