Politics & Society

"The need for a sound social and political education...has never been so great. Without it, our young people are forced to operate in the social and political world without the skills and insights that they need to be in control of their own destiny." - Kathleen Lynch, UCD Academic and one of 17 Key Thinkers on the Politics & Society course.

What is Politics & Society?

Politics studies POWER STRUCTURES in society.

Who has power?....who doesn't?

Key Themes : Human Rights, Active Citizenship, Globalisation, Sustainable Development
