Manor House School Contingency Plan

This plan sets out the school's arrangements for making up for lost time due to prolonged unforeseen closures.

1. The following contingency arrangements apply where the school has closed for an unforeseen prolonged period.

Prioritising tuition over other non-tuition activities

Prioritising learning in the classroom over school tours

Reducing where possible the length of house/mock examinations

The February mid-term break may be reduced by up to three days subject to the requirement that all school must be closed on the Thursday and Friday of the week in which the break falls.

2. The school's arrangement to communicate and make available its contingency plan

The contingency plan will be provided with the school calendar to staff and parents.

It will be sent by VSWARE mail to parents and by email to staff. It will also be published on school website

This contingency plan was completed by the school authority on 27/5/26 [date]

This contingency plan was reviewed by the school authority on 16/6/26 [date]
