

Business Studies in Junior Cycle

What is it?

You'll learn about money, businesses, and how people make financial decisions in everyday life.

What will I learn?

Business Studies has three main parts:

1. Personal finance - You'll learn how:

- To manage your money.
- To save and spend wisely.
- Borrowing money and taxes work.

2. Enterprise - You'll learn how:

- To turn ideas into real things.
- Businesses help people and create jobs.
- Businesses protect the planet.
- Technology helps businesses work faster and smarter.

3. Our economy - You'll learn how:

- Ireland buys and sells goods and services.
- Money moves between people and businesses.
- The government looks after money and jobs.
- Ireland trades with other countries.
- The European Union gives Ireland more choices, jobs, and easier trade.

Is Business Studies for me?

Choose this subject if you:

- Like learning about money.
- Enjoy solving problems.
- Want to understand how business and jobs work.
- Dream of starting your own business.

What's next after Junior Cycle?

You can study Accounting, Business and Economics in Senior Cycle.

Where can Business take me?

Starting your own business | marketing |
finance and banking | sales | insurance |
and many more jobs!
