MOUNT SAINT MICHAEL
SECONDARY SCHOOL

Claremount House

OUR JOURNEY BEGINS....

We started this project because Claremount house has always been a part of our school lives at Mount St. Michael.

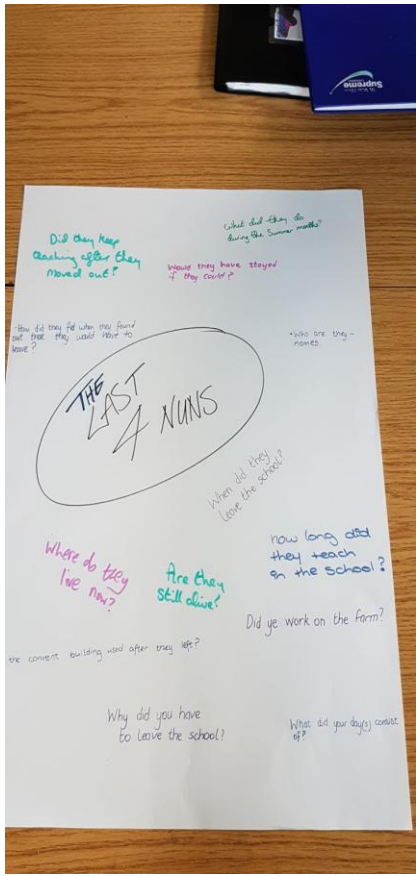

We were selected to work on a digital storytelling project project through the PDST. We gladly accepted this great opportunity to learn about the history of our school, particularly when the old school was going to be demolished (February 2017).

For all that has been – Thanks!
For all that shall be – Yes.

Mindmapping for ideas (& asking lots of questions)

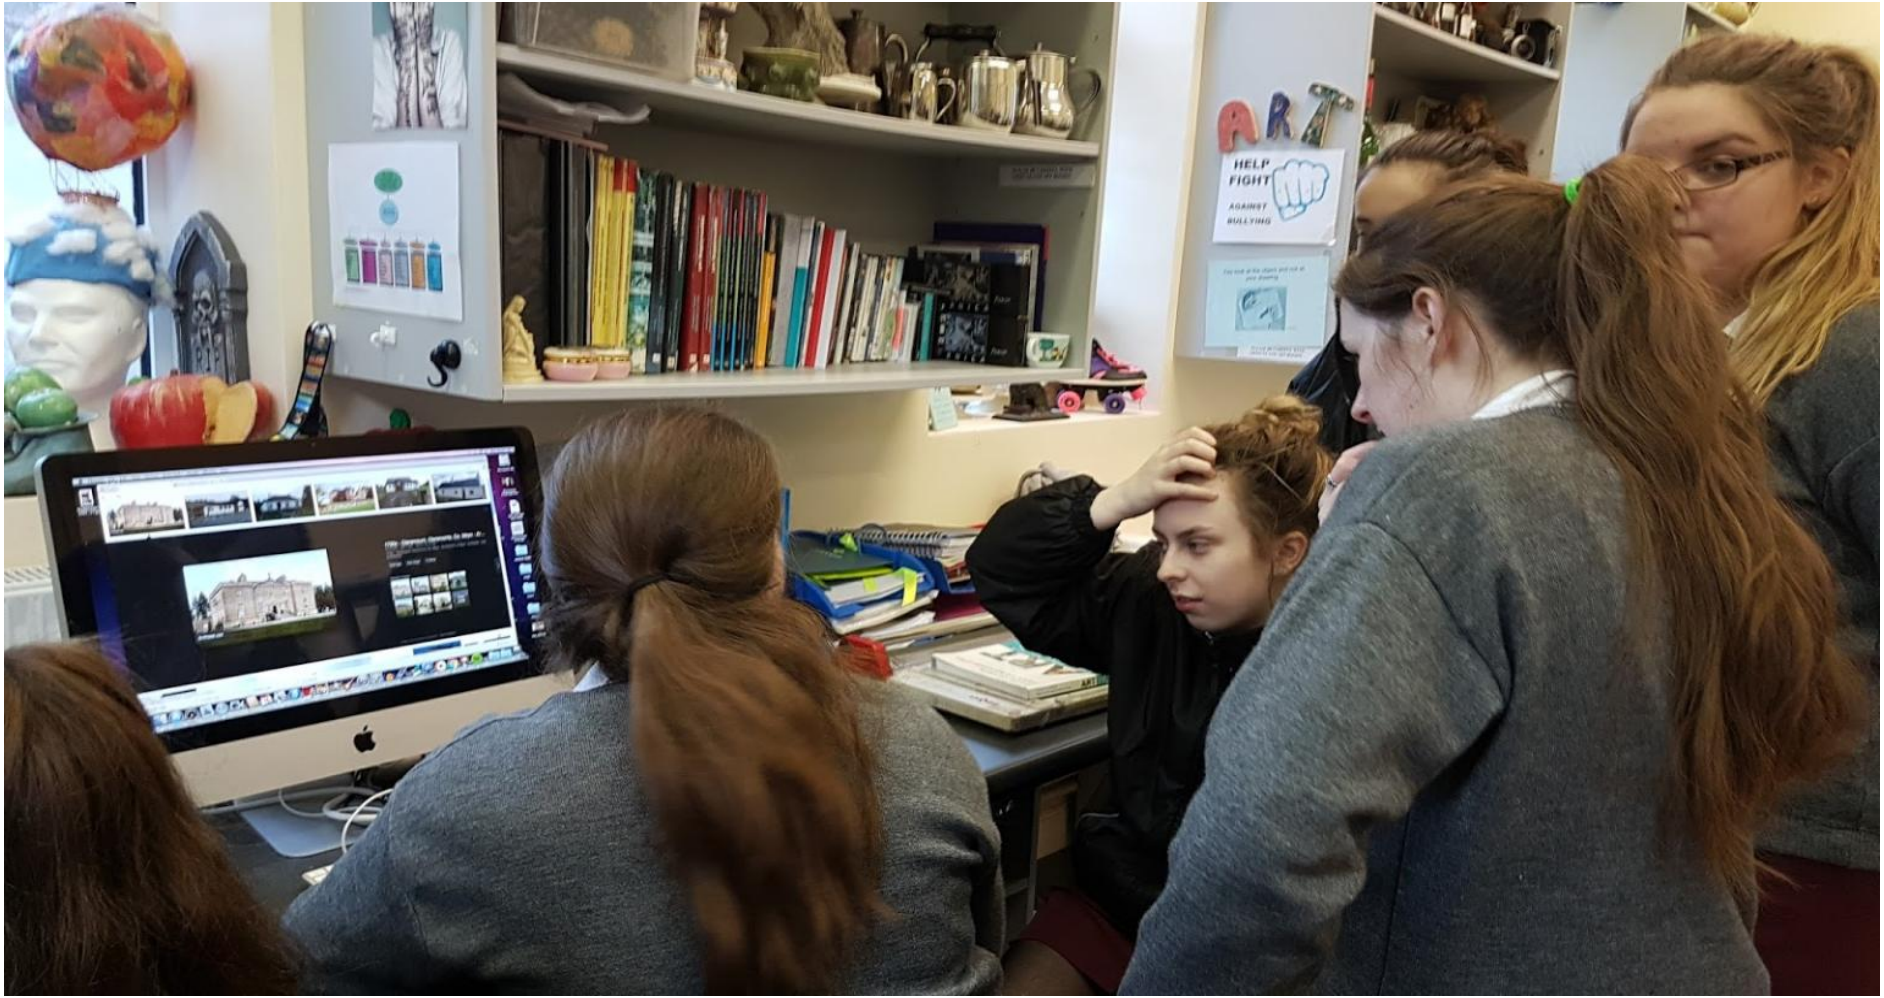

Working in groups
to research different areas,
prompted by our
mind mapping sessions.
